ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

42 November 12, 2013

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Directors:

**ISSUANCE AND SALE OF
COUNTY OF LOS ANGELES REDEVELOPMENT REFUNDING AUTHORITY
TAX ALLOCATION REVENUE REFUNDING BONDS, SERIES 2013
(ALL DISTRICTS) (4 VOTES)**

SUBJECT

The Treasurer and Tax Collector (the "Treasurer") is requesting authorization to issue tax allocation revenue refunding bonds in an aggregate principal amount not to exceed \$200 million (the "2013 Refunding Bonds"). Proceeds from the sale of the bonds will be utilized to purchase tax allocation refunding bonds ("Local Obligations") issued by certain successor agencies to former redevelopment agencies ("Successor Agencies") located within Los Angeles County. Such Local Obligations are to be issued for the purpose of achieving debt service savings that will benefit local taxing entities, including the County, that receive a share of the ad valorem property tax.

The 2013 Refunding Bonds are being issued pursuant to the State's Marks-Roos Bond Pooling Act, which will facilitate the pooling of the Local Obligations and the public sale by the County of Los Angeles Redevelopment Refunding Authority (the "Authority") of tax-exempt and taxable tax allocation revenue refunding bonds. The payment of debt service on the 2013 Refunding Bonds will be funded exclusively by the Successor Agencies and there will be no financial recourse to either the County or the Authority.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the resolution authorizing all necessary actions related to the issuance and sale of the County of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2013, in an aggregate principal amount not exceed \$200 million to fund the purchase of the Local Obligations.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Effective February 1, 2012, pursuant to Assembly Bill x1 26 ("AB 26"), redevelopment agencies throughout the State were abolished and prohibited from engaging in future redevelopment activities. AB 26 enabled the formation of Successor Agencies, which have the responsibility of winding down outstanding obligations of the former redevelopment agencies. AB 26 did not allow Successor Agencies to issue any new debt; however, the legislative language was unclear on whether a debt refinancing was considered a new debt issuance.

On June 27, 2012, the State passed Assembly Bill 1484 ("AB 1484"), which included provisions permitting Successor Agencies to refund outstanding bonds or other obligations of a former redevelopment agency to achieve savings. While Successor Agencies can refund their bonds utilizing their own staff, underwriters, lawyers and consultants, the Treasurer has developed the Los Angeles County Redevelopment Bond Refunding Program (the "Program") to assist Successor Agencies who may not have the staff or the time to pursue a refunding on their own. With this objective, the Treasurer has assembled a team of professionals with extensive experience in the area of redevelopment financing (the "County Financing Team") to facilitate the issuance of the 2013 Refunding Bonds. By using the County Financing Team and pooling individual Successor Agency refunding bonds together, the Program will provide significant cost savings while alleviating the participating Successor Agencies of the administrative burden of managing their own refinancing. Some of the key benefits inherent in the Program are as follows:

1. The County Financing Team will assume responsibility for marketing the refunding bonds, managing the credit rating process, and coordinating the approval process with the State Department of Finance.
2. Pooling participant Successor Agency refunding bonds together will achieve economies of scale, resulting in reduced costs of issuance for each participating Successor Agency.
3. The Treasurer will assume much of the continuing disclosure responsibility by serving as dissemination agent for the Local Obligations.
4. Structural enhancements, including the County's role in managing debt service, will improve the marketability of the refunding bonds and result in lower interest rates and increased savings.

In addition to the benefits highlighted above, the Program has also been successful in its outreach efforts with the various cities in Los Angeles County that now serve as Successor Agencies. Of the 71 Successor Agencies in Los Angeles County, 69 are now governed by the city that originally sponsored the formation of the original redevelopment agency. The Treasurer has reviewed its Program with more than 40 of these Successor Agencies and worked with each city on the various options they have with respect to managing their outstanding bond obligations. As will be more fully discussed below, many successor agencies

that were not able to participate in the initial 2013 Refunding are still considering a future refunding either through the Program or on a stand-alone basis.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness through collaborative actions between the County and cities to refinance outstanding bond obligations of various Successor Agencies, and the County's Strategic Plan Goal #2: Fiscal Sustainability by securing additional property tax revenue for the local taxing entities, including the County General Fund.

FISCAL IMPACT/FINANCING

The proposed refunding transaction is scheduled to close in December 2013 (the "2013 Refunding") and is expected to include the following seven (7) Successor Agencies: Alhambra, Claremont, Covina, CRA/Los Angeles, Lynwood, Monterey Park, and West Hollywood. Each of these participating Successor Agencies has obtained their respective governing board and oversight board approvals for the proposed financing. The Successor Agencies for Montebello and South Gate, each of which had previously expressed interest in joining the Program, have opted not to participate in the 2013 Refunding. It is expected that South Gate will pursue a refunding through the Program in 2014.

<i>Successor Agency</i>	<i>Redevelopment Project</i>	<i>2013 Refunding PAR Amount</i>	<i>Projected Gross Debt Service Savings</i>
Alhambra	Industrial Redevelopment Project	\$ 28,220,000	5,835,000
Claremont	Consolidated Redevelopment Project	5,235,000	582,000
Covina	Covina Revitalization Project No. One	12,594,000	2,576,000
CRA/Los Angeles	Adelante Eastside Project	4,450,000	1,588,000
	Hollywood Project	27,435,000	2,029,000
	Little Tokyo Project	8,195,000	1,784,000
	Mid-City Recovery Project	5,380,000	2,407,000
	North Hollywood Project	18,605,000	2,278,000
Lynwood	Alameda Project Area	820,000	109,000
	Project Area A	9,670,000	1,790,000
Monterey Park	Atlantic-Garvey Redevelopment Project No. 1	15,145,000	1,541,000
	Merged Redevelopment Area	7,875,000	731,000
West Hollywood	East Side Redevelopment Project	9,465,000	1,024,000
TOTAL		\$ 153,089,000	\$ 24,274,000

The total projected debt service savings depicted in the table above will translate to additional property tax revenue for the local taxing agencies that have jurisdiction over the redevelopment project areas. By lowering the amount of future principal and interest payments on their tax allocation bonds, the participating Successor Agencies will be able to reduce the amount

requested on their semi-annual Recognized Obligation Payment Schedules ("ROPS"). This will result in a smaller claim on tax increment revenues and an increased residual distribution to those local agencies that receive a share of the ad valorem property tax.

Of the projected \$24.27 million in savings, the cities that sponsored the original redevelopment agencies are expected to receive anywhere between 10% and 25% of the additional property tax revenues. The County itself can expect to receive approximately 25% of the gross debt service savings, which may result in as much as \$6 million of additional property tax revenue over the life of the bonds. The County General Fund will receive the greatest share of this \$6 million, but certain amounts will also benefit the Flood Control District, Consolidated Fire Protection District, and County Library District.

The additional property tax revenue generated by the 2013 Refunding represents the first installment from what is expected to be a multi-year refunding program. Research conducted by the County Financing Team indicates that the former redevelopment agencies in Los Angeles County have more than 300 series of tax allocation bonds still outstanding. It is anticipated that many Successor Agencies that did not participate in the 2013 Refunding will elect to join future refundings once the initial transaction has proven to be successful. Furthermore, the Treasurer has observed that several Successor Agencies that previously were not inclined to pursue a bond refunding are now exploring the possibility of a stand-alone financing outside of the County's Program. While such refundings are not likely to be as efficient as those completed through the Program, the debt service savings will still benefit the same local taxing entities, including the County General Fund. It is the goal of the Treasurer's Office to complete two additional pooled refundings through the Program in calendar 2014.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The 2013 Refunding Bonds will be issued pursuant to Health and Safety Code Section 34177.5 and Government Code Section 53580. Utilizing a Marks-Roos structure, the Authority will issue multiple series of tax increment revenue refunding bonds, whereby participating Successor Agencies with similar credits will be pooled together into larger issuances in order to attract greater investor demand. Under no circumstances will either the County or the Authority be responsible for funding the debt service payments on the 2013 Refunding Bonds. Furthermore, there will be no cross-collateralization of the various Local Obligations and no tax increment revenue of one Successor Agency will be used to pay for the obligations of another.

The following legal documents for the transaction have been prepared and are being submitted to your Board for approval:

Local Obligation Purchase Contract. The Local Obligation Purchase Contract specifies the purchase price of the Local Obligations to be paid by the Authority, the interest rates, maturity dates and principal amounts of each maturity of the Local Obligations, the allocation of the expenses incurred in connection with the Local Obligations, the parties' representations to and agreements with each other and the conditions which each participating Successor Agency must satisfy before the Authority becomes obligated to purchase the Local Obligations.

Continuing Disclosure Agreement. Federal securities laws require issuers of bonds to disclose and annually update certain financial and operating information relevant to the security and repayment of bonds. The Continuing Disclosure Agreement contains the undertakings of the participating Successor Agencies and the Authority to provide the ongoing disclosure in the form of annual reports and event notices.

Trust Agreement. The Trust Agreement sets forth the terms of the bonds to be issued by the Authority, including the interest payments and redemption provisions, if any, the security provisions for the 2013 Refunding Bonds, the covenants of the Authority to Authority bond owners and provisions relating to the holding and distribution of funds to repay the 2013 Refunding Bonds.

Bond Purchase Agreement. The Bond Purchase Agreement specifies the purchase price of the 2013 Refunding Bonds to be paid by the underwriters, the interest rates, maturity dates and principal amounts of each maturity of the 2013 Refunding Bonds, the allocation of the expenses incurred in connection with the bond issue, the parties' representations to and agreements with each other and the conditions which the Authority must satisfy before the underwriters become obligated to purchase the 2013 Refunding Bonds. A Letter of Representations, the form of which is included in the Bond Purchase Agreement, provides certain representations and warranties that each participating Successor Agency will be providing to the Authority and the underwriters.

Official Statement. The Official Statement (in its preliminary and final form) is used to provide information to investors and prospective investors about, among other things, the Authority and the 2013 Refunding Bonds. The 2013 Refunding Bonds constitute securities for purposes of state and federal securities laws and, therefore, the offering and sale of the bonds through the Official Statement is subject to certain provisions of such laws. The Official Statement sets forth information about the terms of the 2013 Refunding Bonds, the security for the bonds, the sources and uses of the proceeds of the bonds to be issued by the Authority and the tax-exemption of interest on such bonds. A disclosure appendix for each participating Successor Agency, to be included as an appendix to the Official Statement, will provide information as to the participating Successor Agency and its Local Obligations, the applicable redevelopment plan and project area or project areas, the tax increment revenues and the documents under which the Local Obligations are issued.

Section 2. Approval of Bonds. Subject to the provisions of Section 3 hereof, the issuance of the Authority Bonds, in one or more series or subseries, on a federally tax-exempt or federally taxable basis, or any combination thereof, in an aggregate principal amount of not to exceed \$200,000,000, on the terms and conditions set forth in, and subject to the limitations specified in, the applicable Trust Agreement, is hereby authorized and approved. The Authority Bonds shall be dated, shall bear interest at the rates, shall mature on the date or dates, shall be subject to call and redemption, shall be issued in the form and shall be as otherwise provided in the applicable Trust Agreement, as the same shall be completed as provided in this Resolution. Section 3. Approval of Trust Agreement. The form of the Trust Agreement, submitted to and on file with the Secretary of the Authority, is hereby approved, and the Chairman of the Board of Directors of the Authority, and such other member of the Board of Directors as the Chairman may designate, the Treasurer of the Authority, and such other officers of the Authority as the Treasurer of the Authority may designate (collectively, the “Authorized Officers”), are each hereby authorized and directed, for and in the name and on behalf of the Authority, to execute and deliver one or more Trust Agreements in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the aggregate principal amount of the Authority Bonds shall not exceed \$200,000,000.

Section 4. Approval of Local Obligation Purchase Contract. The form of Local Obligation Purchase Contract, submitted to and on file with the Secretary of the Board of Directors, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the Authority, to execute and deliver one or more Local Obligation Purchase Contracts in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof, provided that the Refunding Bonds shall be purchased at a price and shall bear or accrete interest which does not result in a yield in excess of that prescribed by Section 6592.5(a) of the California Government Code.

Section 5. Approval of Bond Purchase Agreement. The form of Bond Purchase Agreement, submitted to and on file with the Secretary of the Board of Directors, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the Authority, to execute and deliver one or more Bond Purchase Agreements in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the underwriters’ discount for the sale of

the Authority Bonds with respect to each applicable Bond Purchase Agreement shall not exceed 0.60% of the aggregate principal amount of the Authority Bonds subject to such Bond Purchase Agreement.

The Authorized Officers are each hereby authorized to certify on behalf of the Authority that the Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12 and the information contained in appendices thereto specific to the respective Refunding Bonds and Participating Successor Agencies). The Authorized Officers are authorized to approve corrections and additions to the Preliminary Official Statement by supplement or amendment thereto, by appropriate insertions, or otherwise as appropriate, provided that such corrections or additions shall be regarded by the Authorized Officer as necessary to cause the information contained therein to conform to facts enumerated to the Refunding Bonds or the Authority Bonds or to the proceedings of the Authority or the Participating Successor Agencies or that such corrections or additions are in form rather than in substance. If and to the extent multiple series of Authority Bonds are offered pursuant to separate Preliminary Official Statements, the approvals herein shall apply equally to each such Preliminary Official Statement.

as applicable, issuance and delivery of the Authority Bonds and the Refunding Bonds, the security for the Authority Bonds and the Refunding Bonds, the subordination of pass-through payments to debt service on the Refunding Bonds, and applying for, and negotiating the terms of, a municipal bond insurance policy or policies (which may include entering into a mutual insurance agreement(s) therefor) for all or a portion of any series of Authority Bonds, as the Authorized Officer may require or approve, and any such actions heretofore taken by such officers in connection therewith are hereby ratified, confirmed and approved.

Section 10. Severability. If any provision of this Resolution or the application of any such provision to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this Resolution that can be given effect without the invalid provision or application, and to this end the provisions of this Resolution are severable. The Authority declares that the Authority would have adopted this Resolution irrespective of the invalidity of any particular portion of this Resolution.

Section 11. Effective Date. This Resolution shall take effect from and after its date of adoption.

The foregoing Resolution was on the 12th day of November, 2013, adopted by the Board of Directors of the County of Los Angeles Redevelopment Refunding Authority.

The Agency hereby irrevocably directs the Authority to cause County Auditor-Controller to distribute the portion of any of the sums so withheld to the affected taxing entities in accordance with paragraph (4) of subdivision (a) of California Health and Safety Code Section 34183 upon notice by the DOF that a portion of the withheld balances are in excess of the amount of enforceable obligations. Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Authority and the Agency may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of subsection (a) of Section 2 hereof, Section 3 hereof or subsections (a) or (b) of Section 4 hereof, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Authority Bonds, or the type of business conducted;

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Authority Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver (i) is approved by holders of the Authority Bonds in the manner provided in the Trust Agreement for amendments to the Trust Agreement with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of holders or beneficial owners of the Authority Bonds.

If the Agency chooses to include any information in any Annual Report or notice in addition to that which is specifically required by this Disclosure Agreement, the Agency shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event or any other event required to be reported.

A default under this Disclosure Agreement shall not be deemed an Event of Default under the Trust Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the Agency or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. There shall be no charge to the Owner for any such exchange or registration of transfer of Bonds, but the Authority may require the payment of a sum sufficient to pay any tax or other governmental charge required to be paid with respect to any such exchange or registration of transfer. Neither the Authority nor the Trustee shall be required to register the transfer of or exchange of any Bond on or after the fifteenth (15th) Business Day immediately preceding the date on which the notice of redemption is scheduled to be mailed and ending on the date scheduled for redemption or any Bond selected for redemption.

(b) Upon surrender for exchange or transfer of any Bond at the Principal Corporate Trust Office of the Trustee, the Authority shall execute (which may be by facsimile) and the Trustee shall authenticate and deliver in the name of the Owner (in the case of transfers) a new Bond or Bonds of Authorized Denominations, in the aggregate principal amount which the registered Owner is entitled to receive.

(c) New Bonds delivered upon any transfer or exchange shall be valid obligations of the Authority, evidencing the same debt as the Bonds surrendered, shall be secured by the Trust Agreement and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

Section 2.07 Authentication of Bonds. No Bond shall be secured by the Trust Agreement or entitled to its benefits or shall be valid or obligatory for any purpose unless there shall be endorsed on such Bond the Trustee's certificate of authentication, substantially in the form prescribed in the Trust Agreement, executed by the manual signature of a duly authorized signatory of the Trustee; and such certificate on any Bond issued by the Authority shall be conclusive evidence and the only competent evidence that such Bond has been duly authenticated and delivered under the Trust Agreement.

Section 2.08 Cancellation of Bonds. Upon the surrender to the Trustee of any temporary or mutilated Bond, such Bond surrendered for transfer or exchange, such Bonds purchased, redeemed or paid at maturity, the same shall forthwith be cancelled and the Trustee shall destroy such Bonds and upon written request of the Authority deliver a certificate of destruction with respect thereto to the Authority.

Section 2.09 Bonds as Special Obligations. The Bonds shall be special obligations of the Authority, payable from and secured as to the payment of the principal thereof and the redemption premium, if any, and the interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from the Trust Estate. The Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of or redemption premium, if any, or interest on the Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of the Authority is obligated to pay the principal of or redemption premium, if any, or interest on the Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of or redemption premium, if any, or interest on the Bonds. The payment of the principal of or redemption premium, if any, or interest on the Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority.

No agreement or covenant contained in any Bond or the Trust Agreement shall be deemed to be an agreement or covenant of any officer, member, agent or employee of the Authority in his or her individual capacity and neither the members of the Authority nor any officer or employee thereof executing the Bonds shall be liable personally on any Bond or be subject to any personal liability or accountability by reason of the issuance of such Bonds.

Section 2.10 Use of Depository. Notwithstanding any provision of the Trust Agreement to the contrary:

(a) The Bonds shall be initially issued as provided in Section 2.01. Registered ownership of the Bonds, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of the Securities Depository or its nominee, or to any substitute depository designated pursuant to clause (ii) of this subsection (a) (“Substitute Depository”); provided that any successor of the Securities Depository or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(ii) To any Substitute Depository designated by the Authority and not objected to by the Trustee, upon (1) the resignation of the Securities Depository or its successor (or any Substitute Depository or its successor) from its functions as depository or (2) a determination by the Authority that the Securities Depository or its successor (or any Substitute Depository or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of the Securities Depository or its successor (or Substitute Depository or its successor) from its functions as depository; provided that no Substitute Depository which is not objected to by the Trustee can be obtained or (2) a determination by the Authority that it is in the best interests of the Authority to remove the Securities Depository or its successor (or any Substitute Depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) hereof, upon receipt of the Outstanding Bonds by the Trustee, together with a Written Request of the Authority to the Trustee, a single new Bond shall be executed and delivered in the aggregate principal amount of the Bonds then Outstanding, registered in the name of such successor or such Substitute Depository, or their nominees, as the case may be, all as specified in such Written Request of the Authority. In the case of any transfer pursuant to clause (iii) of subsection (a) hereof, upon receipt of the Outstanding Bonds by the Trustee together with a Written Request of the Authority to the Trustee, new Bonds shall be executed and delivered in such denominations numbered in consecutive order and registered in the names of such persons as are requested in such a Written Request of the Authority, subject to the limitations of Section 2.02 hereof, provided the Trustee shall not be required to deliver such new Bonds within a period less than sixty (60) days from the date of receipt of such a Written Request of the Authority.

(c) In the case of partial redemption or an advance refunding of the Bonds evidencing all or a portion of the principal amount Outstanding, the Securities Depository shall make an appropriate notation on the Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Trustee.

(d) The Authority and the Trustee shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of the Trust Agreement and any applicable laws, notwithstanding any notice to the contrary received by the Trustee or the Authority; and the Authority and the Trustee shall have no responsibility for transmitting payments to, communication with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the Authority nor the Trustee will have any responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party including the Securities Depository or its successor (or Substitute Depository or its successor), except for the Owner of any Bond.

(e) So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assign, the Authority and the Trustee shall cooperate with Cede & Co., as sole registered Owner, and its registered assigns in effecting payment of the principal of and redemption premium, if any, and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

ARTICLE III

ISSUANCE OF BONDS

Section 3.01 Provisions for the Issuance of Bonds. The Bonds shall be executed by the Authority and delivered to the Trustee for authentication, together with a Written Order certifying that all conditions precedent to the authorization of the Bonds have been satisfied and authorizing the Trustee to authenticate the Bonds. The Trustee shall authenticate and deliver the Bonds upon receipt of the Written Order described above, and upon the following having been made available to the Trustee (in the case of the documents referred to in subsections (a), (c), (e), (f), (g) and (h) below, the Trustee may assume, and shall not be required to verify, the validity of such documents):

(a) A copy of the resolution or resolutions adopted by the Authority authorizing the issuance of the Bonds and the execution and delivery by the Authority of the Trust Agreement, duly certified by the Secretary to have been duly adopted by the Authority and to be in full force and effect on the date of such certification;

(b) An Opinion of Bond Counsel, dated the date of delivery of the Bonds, to the effect that (i) the Bonds constitute the valid and binding, special obligations of the Authority, (ii) the Trust Agreement has been duly executed and delivered by, and (assuming valid execution and delivery by the Trustee) constitutes a valid and binding obligation of, the Authority and (iii) the interest on the Tax Exempt Bonds is excluded from gross income for federal income tax purposes and is exempt from State personal income taxes; provided, that with respect to (i) and (ii) above, no opinion need be expressed as to the effect of bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws affecting creditors' rights, the application of equitable principles, the exercise of judicial discretion in appropriate cases and the limitation on legal remedies against public entities in the State;

(c) A Written Order directing that the Trustee authenticate the Bonds and containing instructions as to the delivery of the Bonds;

(d) The proceeds of sale of the Bonds;

(e) An Officer's Certificate stating that the Authority is not in default in the performance of any of the agreements, conditions, covenants or terms contained in the Trust Agreement;

(f) A Cash Flow Certificate to the effect that, assuming that all payments are made with respect to the Local Obligations, (i) the Revenues, together with moneys on deposit in other funds and accounts held under the Trust Agreement, will be sufficient to pay all scheduled principal and interest payments on the Bonds when due; and (ii) the redemption premium, if any, on the Local Obligations payable in the event of early retirement of the Local Obligations, together with other Revenues available to the Trustee for such purpose, are sufficient to offset any difference between the interest to accrue on the Bonds to be paid or redeemed with the proceeds of Prepayment of such Local

Obligations (plus any redemption premium payable upon redemption of such Bonds) and the income to be earned on any investment of such proceeds (assured as of the date of payment thereof), in each case until the date of payment or redemption of Bonds, such that in no event will the Prepayment of the Local Obligations cause the Trustee to have insufficient funds to pay (A) debt service on the Bonds when due and (B) scheduled debt service on the Bonds which remain Outstanding after such redemption, [plus in each case expenses];

(g) An original executed counterpart of the Trust Agreement;

(h) The Local Obligations; and

(i) An Opinion or Opinions of Bond Counsel or an opinion of counsel to each Agency to the effect that each of the Local Obligations is a valid and binding obligation of each Agency issuing the respective Local Obligation.

Section 3.02 No Additional Bonds. The Authority shall not issue or incur additional indebtedness secured by a lien on any part of the Trust Estate.

ARTICLE IV

REDEMPTION AND PURCHASE OF BONDS

Section 4.01 Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to the Trust Agreement shall be redeemable, upon mailed notice as provided in this Article, at such times and upon such terms as are contained in this Article. Whenever, by the terms of the Trust Agreement, the Trustee is required or authorized to redeem Bonds, the Trustee shall select the Bonds to be redeemed, shall give the notice of redemption and shall pay out of moneys available therefor the redemption price thereof, plus interest accrued and unpaid to the redemption date, in accordance with the terms of this Article.

Section 4.02 Redemption of Bonds.

(a) *Mandatory Redemption from Sinking Fund Installments.* (i) The Bonds maturing on September 1, 20__ are subject to mandatory redemption in part by lot on September 1 in each year commencing September 1, 20__, at the principal amount thereof plus accrued interest thereon to the date fixed for redemption in accordance with the following schedule:

Redemption Date (September 1)	Principal Amount
20__	
20__	
20__	
20__*	

* Maturity

(ii) The Bonds maturing on September 1, 20__ are also subject to mandatory redemption in part by lot on September 1 in each year commencing September 1, 20__, at the principal amount thereof plus accrued interest thereon to the date fixed for redemption in accordance with the following schedule:

Redemption Date (September 1)	Principal Amount
20__	
20__	
20__	
20__*	

* Maturity

(iii) In the event that Bonds subject to mandatory redemption pursuant to this subsection (b) are redeemed in part prior to their stated maturity date from any moneys other than Principal Installments, the remaining Principal Installments for such Bonds shall be reduced as directed by the Authority.

(b) *Mandatory Redemption from Prepayments.* The Bonds shall be subject to mandatory redemption on or after _____ 1, 20__, in whole or in part on any date, from and to the extent of any Prepayments with respect to the Local Obligations, at a redemption price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption.

The Authority shall give the Trustee written notice of the redemption of Bonds pursuant to this subsection not less than 35 days prior to the applicable redemption date, unless a later date is agreed to by the Trustee. Such written notice shall be accompanied by the Written Request of the Agency (as defined in the Agency Indenture) required to be delivered to, and the Cash Flow Certificate of an Independent Financial Consultant required to be filed with, the Agency Trustee pursuant to Section 2.04(a) (or similarly purposed section, if different) of the Agency Indenture, and no such redemption of Bonds shall occur unless such written notice is so accompanied by such Written Request of the Agency and such Cash Flow Certificate of an Independent Financial Consultant. In the event that the Agency Trustee shall mail notice of the redemption of any Local Obligations that will produce Prepayments with respect to Local Obligations, the Trustee shall concurrently mail notice of the redemption of Bonds pursuant to this subsection, such redemption to occur on the date fixed for such redemption of such Local Obligations. On the date of such redemption of the Local Obligations, the proceeds of such redemption shall be applied by the Trustee to pay the redemption price of Bonds pursuant to this subsection.

(c) *Mandatory Redemption as a result of Acceleration.* The Bonds shall be subject to mandatory redemption, in whole or in part on any date, from and to the extent of any amounts received with respect to any Local Obligations as a result of the acceleration of amounts due on such Local Obligations upon an event of default thereunder, at a redemption price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption. Whenever less than all of the Bonds are to be redeemed pursuant to this subsection (c), the Trustee shall, on or prior to the redemption date, receive a Cash Flow

Certificate specifying the maturity or maturities of Bonds to be redeemed and showing that the remaining payments of principal of and interest on Local Obligations, together with other Revenues available to the Trustee, will be sufficient to pay on a timely basis the principal of and the interest on the Bonds not so redeemed when due.

Section 4.03 Notice of Redemption. In the case of any redemption of Bonds, the Trustee shall [determine that it has in the Funds maintained pursuant to the Trust Agreement and available therefor sufficient moneys on hand to pay the principal of and the interest and redemption premium, if any, to make any such redemption]. The Trustee shall give notice, as hereinafter in this section provided, that Bonds, identified by CUSIP numbers, serial numbers and maturity date, have been called for redemption and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof that has been called for redemption (or if all the Outstanding Bonds are to be redeemed, so stating, in which event such serial numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying such date) upon surrender thereof at the Principal Corporate Trust Office, at the redemption price (specifying such price), together with any accrued interest to such date, and that all interest on the Bonds, or portions thereof, so to be redeemed will cease to accrue on and after such date and that from and after such date such Bond or such portion shall no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof shall have no rights in respect of such redeemed Bond or such portion except to receive payment from such moneys of such redemption price plus accrued interest to the date fixed for redemption.

Such notice shall be mailed by first class mail, postage prepaid, at least twenty (20) but not more than sixty (60) days before the date fixed for redemption, to the Security Depository, the MSRB and the Owners of such Bonds, or portions thereof, so called for redemption, at their respective addresses as the same shall last appear on the Bond Register. No notice of redemption need be given to the Owner of a Bond to be called for redemption if such Owner waives notice thereof in writing, and such waiver is filed with the Trustee prior to the redemption date. Neither the failure of an Owner to receive notice of redemption of Bonds hereunder nor any error in such notice shall affect the validity of the proceedings for the redemption of Bonds.

Any notice of redemption may be expressly conditional and may be rescinded by Written Order given to the Trustee not later than three (3) Business Days prior to the date fixed for redemption. Upon receipt of such Written Order, the Trustee shall promptly mail notice of such rescission to the same parties that were mailed the original notice of redemption.

Section 4.04 Selection of Bonds for Redemption. Whenever less than all the Outstanding Bonds of any one maturity are to be redeemed on any one date, the Trustee shall select the particular Bonds to be redeemed by lot and in selecting the Bonds for redemption the Trustee shall treat each Bond of a denomination of more than five thousand dollars (\$5,000) as representing that number of Bonds of five thousand dollars (\$5,000) denomination which is obtained by dividing the principal amount of such Bond by five thousand dollars (\$5,000), and the portion of any Bond of a denomination of more than five thousand dollars (\$5,000) to be redeemed shall be redeemed in an Authorized Denomination. The Trustee shall promptly notify the Authority in writing of the numbers of the Bonds so selected for redemption in whole or in part on such date.

Section 4.05 Payment of Redeemed Bonds. If notice of redemption has been given or waived as provided in Section 4.03, the Bonds or portions thereof called for redemption shall be due and payable on the date fixed for redemption at the redemption price thereof, together with accrued interest to the date fixed for redemption, upon presentation and surrender of the Bonds to be redeemed at the office specified in the notice of redemption. If there shall be called for redemption less than the full principal amount of a Bond, the Authority shall execute and deliver and the Trustee shall authenticate, upon surrender of such Bond, and without charge to the Owner thereof, Bonds of like interest rate and maturity in an aggregate principal amount equal to the unredeemed portion of the principal amount of the Bonds so surrendered in such Authorized Denominations as shall be specified by the Owner.

If any Bond or any portion thereof shall have been duly called for redemption and payment of the redemption price, together with unpaid interest accrued to the date fixed for redemption, shall have been made or provided for by the Authority, then interest on such Bond or such portion shall cease to accrue from such date, and from and after such date such Bond or such portion shall no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof shall have no rights in respect of such Bond or such portion except to receive payment of such redemption price, and unpaid interest accrued to the date fixed for redemption.

Section 4.06 Purchase in Lieu of Redemption. In lieu of redemption of any Bond pursuant to the provisions of Section 4.02, amounts on deposit in the Principal Fund or in the Redemption Fund may also be used and withdrawn by the Trustee at any time prior to selection of Bonds for redemption having taken place with respect to such amounts, upon a Written Order for the purchase of such Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Fund) as the Authority may in its discretion determine, but not in excess of the redemption price thereof plus accrued interest to the purchase date. All Bonds so purchased shall be delivered to the Trustee for cancellation.

ARTICLE V

REVENUES AND FUNDS

Section 5.01 Establishment of Funds. There is hereby established with the Trustee and the Trustee hereby agrees to maintain the following special trust funds for the Bonds, which the Trustee shall keep separate and apart from all other funds and moneys held by it: the Revenue Fund (and the Debt Service Account and the Prepayment Account therein), the Interest Fund, the Principal Fund, the Cost of Issuance Fund, the Redemption Fund and the Rebate Fund.

Section 5.02 Deposit of Proceeds of Bonds and Other Moneys. The proceeds received from the sale of the Bonds in the amount of \$_____ (consisting of the aggregate principal amount of the Bonds of \$_____.00, plus net original issue premium of \$_____, [less underwriting discount of \$_____]) shall be applied by the Trustee to the purchase of the Local Obligations.

Section 5.03 Revenue Fund. (a) All Revenues, other than Revenues described in subsection (b), received by the Trustee shall be deposited by the Trustee into the Debt Service Account within the Revenue Fund, which account is hereby created. The Trustee shall transfer Revenues from the Debt Service Account, in the amounts and at the times specified in Sections 5.04 and 5.05 hereof for deposit into the following respective funds in the following order of priority, the requirements of each fund to be fully satisfied, leaving no deficiencies therein, prior to any deposit into any fund later in priority:

- (i) Interest Fund; and
- (ii) Principal Fund.

(b) All Revenues derived from Prepayments, or the acceleration of amounts due on Local Obligations upon an event of default thereunder, received by the Trustee shall be deposited in the Prepayment Account within the Revenue Fund, which account is hereby created. Amounts in the Prepayment Account shall be transferred as soon as practicable (and in any event prior to the next succeeding Interest Payment Date which is at least forty-five (45) days following receipt of such Prepayment) to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.02, subject to the terms of Section 4.06.

Section 5.04 Interest Fund. The Trustee shall deposit in the Interest Fund before each Interest Payment Date from the Debt Service Account an amount of Revenues which together with any amounts then on deposit in said Fund is equal to the interest on the Bonds due on such date. On each Interest Payment Date, the Trustee shall pay the interest due and payable on the Bonds on such date from the Interest Fund. All amounts in the Interest Fund shall be used and withdrawn by the Trustee solely for the purpose of paying interest on Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity pursuant to the Trust Agreement).

Section 5.05 Principal Fund. The Trustee shall deposit in the Principal Fund before each Principal Payment Date from the Debt Service Account an amount of Revenues which together with any amounts then on deposit in said Fund is equal to the principal on the Bonds due on such date. On each Principal Payment Date, the Trustee shall pay the principal due and payable on the Bonds on such date from the Principal Fund. All amounts in the Principal Fund shall be used and withdrawn by the Trustee solely for the purpose of paying principal on Bonds as it shall become due and payable.

Section 5.06 Cost of Issuance Fund. Moneys deposited in the Costs of Issuance Fund shall be held by the Trustee in trust and applied to the payment of Costs of Issuance upon a Requisition of the Authority filed with the Trustee, which shall be in substantially the form attached hereto as Exhibit B. Each such requisition shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. In no event shall moneys from any other fund or account established hereunder be used to pay Costs of Issuance. All payments from the Costs of Issuance Fund shall be reflected on the Trustee's regular accounting statements. At the end of six months from the date of issuance of the Bonds, or upon earlier receipt of a Written Order of the Authority stating that amounts in such fund are no longer required for the payment of Costs of Issuance, such fund shall be

terminated and any amounts then remaining in such fund shall be transferred to each Agency Trustee for deposit in the Tax Allocation Fund (or similarly purposed fund if named differently) in proportion to the original amount deposited in the Cost of Issuance Fund by such Agency Trustee. The Trustee shall then close the Costs of Issuance Fund.

Section 5.07 Redemption Fund. (a) All moneys held in or transferred to the Redemption Fund pursuant to Section 5.03(b) shall be used for the purpose of redeeming or purchasing all or a portion of the Outstanding Bonds pursuant to Section 4.02 or Section 4.06.

(b) The Trustee shall use amounts in the Redemption Fund solely for the payment of the redemption price of Bonds called for redemption pursuant to Sections 4.02 or the purchase price of Bonds purchased pursuant to Section 4.06 (accrued interest to the redemption or purchase date on such Bonds shall be paid from the Interest Fund).

Section 5.08 Rebate Fund. The Trustee shall deposit in the Rebate Fund the Rebate Requirement all in accordance with Rebate Instructions received from the Authority. The Trustee will apply moneys held in the Rebate Fund as provided in Section 7.04 hereof and according to instructions provided by the Authority. Subject to the provisions of Section 7.04, moneys held in the Rebate Fund are hereby pledged to secure payments to the United States of America. The Authority and the Owners will have no rights in or claim to such moneys. The Trustee will invest all amounts held in the Rebate Fund in Permitted Investments as directed in writing by the Authority and all investment earnings with respect thereto shall be deposited in the Rebate Fund.

Upon receipt of the Rebate Instructions required by the respective Tax Certificate to be delivered to the Trustee, the Trustee will remit part or all of the balance held in the Rebate Fund to the United States of America as so directed. In addition, if the Rebate Instructions so direct, the Trustee will deposit moneys into or transfer moneys out of the Rebate Fund from or into such accounts or funds as the Rebate Instructions shall direct. The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority including supplying all necessary information in the manner provided in the respective Tax Certificate to the extent such information is reasonably available to the Trustee, and shall have no liability or responsibility to monitor or enforce compliance by the Authority with the terms of the respective Tax Certificate.

The Trustee shall have no obligation to rebate any amounts required to be rebated pursuant to this section, other than from moneys held in the Rebate Fund or from other moneys provided to it by the Authority. The Trustee shall not be responsible for computing the Rebate Requirement. Computations of the Rebate Requirement shall be furnished to the Trustee or on behalf of the Authority in accordance with the respective Tax Certificate.

Notwithstanding any other provision of the Trust Agreement, including in particular Article XII hereof, the obligation to remit the rebate amounts to the United States and to comply with all other requirements of this section, and the respective Tax Certificate shall survive the defeasance or payment in full of the Tax Exempt Bonds.

ARTICLE VI

SECURITY FOR AND INVESTMENT OF MONEYS

Section 6.01 Security. All moneys required to be deposited with or paid to the Trustee in any of the Funds (other than the Rebate Fund) referred to in any provision of the Trust Agreement shall be held by the Trustee in trust, and except for moneys held for the payment or redemption of Bonds or the payment of interest on Bonds pursuant to Section 12.03, shall, while held by the Trustee, constitute part of the Trust Estate and shall be subject to the lien and pledge created hereby.

Section 6.02 Investment of Funds. So long as the Bonds are Outstanding and there is no default hereunder, moneys on deposit to the credit of the Revenue Fund, the Interest Fund, the Principal Fund, and the Cost of Issuance Fund and all accounts within such funds shall, at the request of an Authorized Officer, which may be telephonic if confirmed in writing within two (2) Business Days, specifying and directing that such investment of such funds be made, be invested by the Trustee in Permitted Investments, and moneys held in the Rebate Fund or the Redemption Fund shall, at the request of an Authorized Officer, which may be telephonic if confirmed in writing within two (2) Business Days, specifying and directing that such investment of such funds be made, be invested by the Trustee in Federal Securities, and the Trustee shall be entitled to rely on such instructions for purposes of this section. If no such instructions are provided, the Trustee shall invest such funds in Permitted Investments described in clause (6) of the definitions thereof, and the Trustee shall thereupon immediately request investment instructions from the Authority. The Trustee shall not be responsible for any losses or consequences of any investment if it follows such instructions in good faith. The Trustee and its affiliates may act as principal, agent, sponsor or otherwise with respect to any Permitted Investment.

The securities purchased with the moneys in each such Fund shall be deemed a part of such Fund. If at any time it shall become necessary or appropriate that some or all of the securities purchased with the moneys in any such Fund be redeemed or sold in order to raise moneys necessary to comply with the provisions of the Trust Agreement, the Trustee shall effect such redemption or sale, employing, in the case of a sale, any commercially reasonable method of effecting the same. The Trustee shall not be liable or responsible for any consequences resulting from any such investment or resulting from the redemption, sale or maturity of any such investment as authorized pursuant to this section.

Investments in the Revenue Fund, the Interest Fund, the Principal Fund, the Redemption Fund, and the Cost of Issuance Fund may be commingled at the written direction of the Authority for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in particular Funds amounts received or held by the Trustee; provided, that the Trustee shall at all times account for such investments strictly in accordance with the Funds to which they are credited and otherwise as provided in the Trust Agreement.

The Authority acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Authority the right to receive brokerage confirmations of security transactions as they occur, the Authority will not receive such

confirmations to the extent permitted by law. The Trustee will furnish the Authority periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder.

ARTICLE VII

COVENANTS OF THE AUTHORITY

Section 7.01 Payment of Bonds; No Encumbrances. The Authority shall cause the Trustee to promptly pay, from Revenues and other funds derived from the Trust Estate pledged hereunder, the principal of and redemption premium, if any, and the interest on every Bond issued under and secured by the Trust Agreement at the place, on the dates and in the manner specified in the Trust Agreement and in such Bonds according to the true intent and meaning thereof. The Authority shall not issue any bonds, notes or other evidences of indebtedness or incur any obligations payable from or secured by the Trust Estate, other than the Bonds.

Section 7.02 Enforcement and Amendment of Local Obligations. The Authority shall enforce all of its rights with respect to the Local Obligations to the fullest extent necessary to preserve the rights and protect the security of the Owners under the Trust Agreement.

The Authority and the Trustee may, without the consent of or notice to the Owners, consent to any amendment, change or modification of any Local Obligation that may be required (a) to conform to the provisions of the Trust Agreement (including any modifications or changes contained in any Supplemental Trust Agreement), (b) for the purpose of curing any ambiguity or inconsistency or formal defect or omission, (c) so as to add additional rights acquired in accordance with the provisions of such Local Obligation, (d) in connection with any other change therein which is not to the material prejudice of the Trustee or the owners of the Bonds pursuant to an Opinion of Bond Counsel, or (e) in the Opinion of Bond Counsel, to preserve or assure the exemption of interest on the Tax Exempt Bonds from federal income taxes or the exemption from California personal income tax.

Except for amendments, changes or modifications provided for in the preceding paragraph, neither the Authority nor the Trustee shall consent to any amendment, change or modification of any Local Obligation without the mailing of notice and the written approval or consent of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding given and procured as in this section provided. If at any time the Authority or any Agency, as the case may be, shall request the consent of the Trustee to any such proposed amendment, change or modification of a Local Obligation, the Trustee shall, upon being satisfactorily indemnified with respect to reasonable expenses, cause notice of such proposed amendment, change or modification to be mailed in the same manner as provided by Section 13.04 hereof. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file with the Trustee for inspection by all Owners. Nothing contained in this section shall be construed to prevent the Trustee, with the consent of the Authority, from settling a default under any Local Obligation on such terms as the Trustee may determine to be in the best interests of the Owners.

[The Authority shall deliver a full transcript of the original documents and proceedings relating to the amendment, change or modification of any Local Obligation to the Bond Insurer.]

Section 7.03 Further Documents. The Authority covenants that it will from time to time execute and deliver such further instruments and take such further action as may be reasonable and as may be required to carry out the purpose of the Trust Agreement; provided, that no such instruments or actions shall pledge the faith and credit or the taxing power of the Authority, any member of the Authority, any Agency, any City, the County of Los Angeles, the State of California, or any political subdivision thereof.

Section 7.04 Tax Covenants.

(a) The Authority will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of interest on the Tax Exempt Bonds under Section 103 of the Code. The Authority will not directly or indirectly use or permit the use of any proceeds of the Tax Exempt Bonds or any other funds of the Authority or take or omit to take any action that would cause the Tax Exempt Bonds to be “private activity bonds” within the meaning of Section 141(a) of the Code or obligations which are “federally guaranteed” within the meaning of Section 149(b) of the Code. The Authority will not allow ten percent (10%) or more of the proceeds of the Tax Exempt Bonds to be used in the trade or business of any nongovernmental units and will not lend five percent (5%) or more of the proceeds of the Tax Exempt Bonds to any nongovernmental units.

(b) The Authority will not directly or indirectly use or permit the use of any proceeds of the Tax Exempt Bonds or any other funds of the Authority to take or omit to take any action that would cause the Tax Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code. To that end, the Authority will comply with all requirements of Section 148 of the Code to the extent applicable to the Tax Exempt Bonds. In the event that at any time the Authority is of the opinion that for purposes of this section it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee hereunder, the Authority will so instruct the Trustee in writing, and the Trustee will take such actions as directed by such instructions.

(c) The Authority will pay or cause to be paid the Rebate Requirement as provided in the respective Tax Certificate. This covenant shall survive payment in full or defeasance of the Tax Exempt Bonds. The Authority will cause the Rebate Requirement to be deposited in the Rebate Fund as provided in the respective Tax Certificate (which is incorporated herein by reference).

The Trustee will conclusively be deemed to have complied with the provisions of this section including the provisions of the respective Tax Certificate if it follows the directions of the Authority set forth in the respective Tax Certificate and the Rebate Instructions and shall not be required to take any actions hereunder in the absence of Rebate Instructions from the Authority.

(e) The provisions of this Section 7.04 shall survive the defeasance of the Tax Exempt Bonds.

Section 7.05 Maintenance of Existence. The Authority shall maintain its existence, powers and authority as a joint powers authority under California law.

Section 7.06 Continuing Disclosure. The Authority and the Trustee hereby covenant and agree that they will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Section 8.01 Events of Default. The following shall constitute "Events of Default" hereunder:

(a) if payment of interest on the Bonds shall not be made when due; or

(b) if payment of any Principal Installment shall not be made when due and payable, whether at maturity, by proceedings for redemption, by acceleration or otherwise; or

(c) if the Authority shall fail to observe or perform in any material way any agreement, condition, covenant or term contained in the Trust Agreement on its part to be performed, and such failure shall continue for thirty (30) days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Authority by the Trustee or by the Owner(s) of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, provided, that if such default (other than a default arising from nonpayment of the Trustee's fees and expenses) be such that it cannot be corrected within such thirty (30) day period, it shall not constitute an Event of Default if corrective action is instituted by the Authority within such thirty (30) day period and the Authority shall thereafter diligently and in good faith cure such failure in a reasonable period of time; or

(d) the Authority or any Agency shall commence a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

[Within five Business Days after obtaining actual knowledge of the occurrence of an Event of Default, the Trustee shall notify the Bond Insurer thereof. "Actual knowledge" shall mean the actual knowledge of a Responsible Officer of the Trustee.]

Section 8.02 Action on Default. Upon the happening and continuance of any Event of Default, the Trustee in its discretion may, or at the written request of the Owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding shall[, but subject to the provisions of Section 13.11,] upon notice in writing to the Authority, take whatever action at law or in equity as may appear necessary or desirable to protect and enforce any of the rights vested in the Trustee or the Owners by the Trust Agreement or by the Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in Section 8.03 hereof.

Section 8.03 Other Remedies of the Trustee. [Subject to the provisions of Section 13.11,] during the continuance of an Event of Default, the Trustee shall have the right to do the following:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Owners, including the right to receive and collect the Revenues;

Section 8.04 Effect of Discontinuance or Abandonment. In case any proceeding taken by the Trustee on account of any default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the Trustee and the Owners shall be restored to their former positions and rights under the Trust Agreement, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

Section 8.05 Rights of Owners. Anything in the Trust Agreement to the contrary notwithstanding, subject to the limitations and restrictions as to the rights of the Owners in Sections 8.01, 8.02, 8.03, 8.06 [and 13.11], upon the happening and continuance of any Event of Default, the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have the right, upon providing the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee under the Trust Agreement.

The Trustee may refuse to follow any direction that conflicts with law or the Trust Agreement or that the Trustee determines is prejudicial to rights of other Owners or would subject the Trustee to personal liability without adequate indemnification therefor.

Section 8.06 Restriction on Owner's Action. In addition to the other restrictions on the rights of Owners to request action upon the occurrence of an Event of Default and to enforce remedies set forth in this Article, no Owner of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any trust under the Trust Agreement, or any other remedy under the Trust Agreement or on the Bonds, unless such Owner previously shall have given to the Trustee written notice of an Event of Default as hereinabove provided and unless the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have made written request of the Trustee to institute any such suit, action, proceeding or other remedy, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in the Trust Agreement, or to institute such action, suit or proceeding in its or their name; nor unless there also shall have been offered to the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case to be conditions precedent to the execution of the trusts of the Trust Agreement or for any other remedy under the Trust Agreement, it being understood and intended that no one or more Owners of the Bonds secured by the Trust Agreement shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Trust Agreement, or to enforce any rights under the Trust Agreement or under the Bonds, except in the manner provided in the Trust Agreement, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner provided in the Trust Agreement, and for the equal benefit of all Owners of Outstanding Bonds; subject, however, to the provisions of this section. Notwithstanding the foregoing provisions of this section, the obligation of the Authority shall be absolute and unconditional to pay, but solely from the Trust Estate, the principal of and the redemption premium, if any, and the interest on the Bonds to the respective Owners thereof at the respective due dates thereof, and nothing herein shall affect or impair the right of action, which is absolute and unconditional, of such Owners to enforce such payment. [This section is subject in all respects to the provisions of Section 13.11.]

Section 8.07 Power of Trustee to Enforce. All rights of action under the Trust Agreement or under any of the Bonds secured by the Trust Agreement which are enforceable by the Trustee may be enforced by it without the possession of any of the Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceedings instituted by the Trustee shall be brought in its own name, as Trustee, for the equal and ratable benefit of the Owners subject to the provisions of the Trust Agreement.

Section 8.08 Remedies Not Exclusive. No remedy in the Trust Agreement conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given under the Trust Agreement or now or hereafter existing at law or in equity or by statute.

Section 8.09 Waiver of Events of Default; Effect of Waiver. Upon the written request of the Owners of at least a majority in aggregate principal amount of all Outstanding Bonds the Trustee shall waive any Event of Default hereunder and its consequences. The Trustee may waive any Event of Default hereunder and its consequences at any time. If any Event of Default shall have been waived as herein provided, the Trustee shall promptly give written notice of such waiver to the Authority and shall give notice thereof by first class mail, postage prepaid, to all Owners of Outstanding Bonds if such Owners had previously been given notices of such Event of Default; but no such waiver, rescission and annulment shall extend to or affect any subsequent Event of Default, or impair any right or remedy consequent thereon.

No delay or omission of the Trustee or of any Owner to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default, or an acquiescence therein; and every power and remedy given by this Article to the Trustee and to the Owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

[This section is subject in all respects to the provisions of Section 13.11.]

Section 8.10 Application of Moneys. Any moneys received by the Trustee pursuant to this Article shall, after payment of all fees and expenses of the Trustee, and the reasonable fees and expenses of its outside counsel, if any, incurred in connection with the performance of the Trustee's duties hereunder, be applied as follows:

(a) to the payment of the Owners entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

(b) to the payment of the Owners entitled thereto of the unpaid principal of and redemption premium, if any, and any of the Bonds which shall have become due (other than Bonds matured or called for redemption for the payment of which moneys are held pursuant to the provisions of the Trust Agreement) in the order of their due dates, and if the amount available shall not be sufficient to pay in full the principal of and redemption premium, if any, on such Bonds due on any particular date, then to the payment ratably, according to the amount due on such date, to the Persons entitled thereto without any discrimination or privilege; and

(c) to be held for the payment to the Owners entitled thereto as the same shall become due of the principal of and redemption premium, if any, on and interest on the Bonds which may thereafter become due, either at maturity or upon call for redemption prior to maturity, and if the amount available shall not be sufficient to pay in full such principal and redemption premium, if any, due on any particular date, together with interest then due and owing thereon, payment shall be made in accordance with paragraphs (a) and (b) hereof.

Whenever moneys are to be applied pursuant to the provisions of this section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. The Trustee shall give prompt notice to the Owner of the deposit with it of any such moneys.

ARTICLE IX

THE TRUSTEE

Section 9.01 Appointment and Acceptance of Duties. The Trustee hereby accepts and agrees to the trusts hereby created to all of which the Authority agrees and the respective Owners of the Bonds, by their purchase and acceptance thereof, agree.

Section 9.02 Duties, Immunities and Liability of Trustee.

(a) [Subject to Section 13.11,] the Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in the Trust Agreement, and no implied duties or obligations shall be read into the Trust Agreement against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise the rights and powers vested in it by the Trust Agreement, and use the same degree of care and skill in their exercise as a reasonable individual would exercise or use under the circumstances in the conduct of his own affairs.

(b) [Subject to Section 13.11,] the Authority may, in the absence of an Event of Default, and upon receipt of an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) [or upon receipt of a written request of the Bond Insurer stating good cause, or upon receipt of a written request of the Bond Insurer following an Event of Default (irrespective of cause)], or if at any time the Trustee shall cease to be eligible in accordance with subsection (e) of this section, or shall become incapable of acting, or shall commence a case under any bankruptcy, insolvency or similar law, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take control or charge of the Trustee or its property or affairs for the purpose of rehabilitation, conservation or liquidation, shall, remove the Trustee by giving written notice of such removal to the Trustee, and thereupon the Authority shall promptly appoint a successor Trustee by an instrument in writing. [The Authority shall promptly notify the Bond Insurer of any such removal and appointment.]

(c) The Trustee may, subject to (d) below, resign by giving written notice of such resignation to the Authority [and the Bond Insurer] and by giving notice of such resignation by mail, first class postage prepaid, to the Owners at the addresses listed in the Bond Register. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee by an instrument in writing, [and shall notify the Bond Insurer of such appointment].

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no

successor Trustee shall have been appointed and shall have accepted appointment within thirty (30) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of himself and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under the Trust Agreement shall signify its acceptance of such appointment by executing and delivering to the Authority and to its predecessor Trustee [and the Bond Insurer] a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless, at the written request of the Authority or of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under the Trust Agreement and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Authority shall execute and deliver any and all instruments as may be reasonably required for fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, such successor Trustee shall mail a notice of the succession of such Trustee to the trusts hereunder by first class mail, postage prepaid, to the Owners at their addresses listed in the Bond Register.

(e) Any Trustee appointed under the provisions of this section shall be a trust company or bank having the powers of a trust company or authorized to exercise trust powers, having a corporate trust office in California, having (or in the case of a bank, trust company or bank holding company which is a member of a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least fifty million dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such bank, trust company or bank holding company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank, trust company or bank holding company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection, the Trustee shall resign immediately in the manner and with the effect specified in this section.

(f) No provision in the Trust Agreement shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder unless the Owners shall have offered to the Trustee security or indemnity it deems reasonable, against the costs, expenses and liabilities that may be incurred.

(g) In accepting the trust hereby created, the Trustee acts solely as Trustee for the Owners and not in its individual capacity, and under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds.

(h) The Trustee makes no representation or warranty, express or implied, as to the compliance with legal requirements of the use contemplated by the Authority of the funds under the Trust Agreement including, without limitation, the purchase of the Local Obligations hereunder.

(i) The Trustee shall not be responsible for the validity or effectiveness or value of any collateral or security securing any Local Obligation. The Trustee shall not be responsible for the recording or filing of any document relating to this Agreement or any Local Obligation or of financing statements (or continuation statements in connection therewith) or mortgage or of any supplemental instruments or documents of further assurance as may be required by law in order to perfect the security interests or lien on or in any collateral or security securing any Local Obligation. The Trustee shall not be deemed to have made representations as to the security afforded thereby or as to the validity, sufficiency or priority of any such document, collateral or security of the Bonds.

(j) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a Responsible Officer shall have actual knowledge thereof at the Trustee's Principal Corporate Trust Office.

(k) The Trustee shall not be accountable for the use or application by the Authority or any other party of any funds which the Trustee has released under the Trust Agreement.

(l) The Trustee shall provide a monthly accounting of all Funds held pursuant to the Trust Agreement to the Authority within fifteen (15) Business Days after the end of each month and shall provide statements of account for each annual period beginning July 1 and ending June 30, within 90 days after the end of such period. Such accounting shall show in reasonable detail all financial transactions made by the Trustee during the accounting period and the balance in any Funds and accounts created under the Trust Agreement as of the beginning and close of such accounting period.

(m) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law.

(n) The permissive rights of the Trustee to do things enumerated in the Trust Agreement shall not be construed as a duty unless so specified herein.

(o) The Trustee may appoint and act through an agent and shall not be responsible for any misconduct or negligence of any such agent appointed with due care.

Section 9.03 Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under subsection (e) of Section 9.02, shall succeed to the rights and obligations of such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 9.04 Compensation. The Authority shall pay or cause each Agency to pay the Trustee a reasonable compensation for its services rendered hereunder and reimburse the Trustee for reasonable expenses, disbursements and advances, including reasonable attorney's and agent's fees, and expenses incurred by the Trustee in the performance of its obligations hereunder and with respect to the Local Obligations.

The Authority agrees, to the extent permitted by law, to indemnify the Trustee and its officers, directors, employees, attorneys and agents for, and to hold it harmless against, any loss, liability or expense incurred without negligence or willful misconduct on its part arising out of or in connection with (i) the acceptance or administration of the trusts imposed by the Trust Agreement, including performance of its duties hereunder, including the costs and expenses of defending itself against any claims or liability in connection with the exercise or performance of any of its powers or duties hereunder (ii) the Local Obligations; (iii) the sale of any Bonds or the purchase of any Local Obligations and the carrying out of any of the transactions contemplated by the Bonds or the Local Obligations; or (iv) any untrue statement of any material fact or omission to state a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading in any official statement or other disclosure document utilized by the Authority or under its authority in connection with the sale of the Bonds or the Local Obligations. The Authority's obligations hereunder with respect to indemnity of the Trustee and the provision for its compensation set forth in this Article shall survive and remain valid and binding notwithstanding the maturity and payment of the Bonds, or the resignation, or removal of the Trustee.

The Trustee shall have no responsibility for or liability in connection with assuring that all of the procedures or conditions to closing set forth in the contract of purchase for sale of the Bonds are satisfied, or that all documents required to be delivered on the closing date to the parties are actually delivered, except its own responsibility to receive or deliver the proceeds of the sale, deliver the Bonds and other certificates expressly required to be delivered by it and its counsel.

The Trustee shall not be responsible for determining or investigating whether any Local Obligation held hereunder is a Local Obligation, as defined in the Trust Agreement, and the Trustee may conclusively rely on the Authority's determination and direction in this regard. The Trustee shall be entitled to rely on the covenants, representations and warranties of each obligor on any Local Obligation and in the documents and certificates delivered in connection therewith.

Section 9.05 Liability of Trustee. The recitals of facts herein and in the Bonds contained shall be taken as statements of the Authority, and the Trustee does not assume any responsibility for the correctness of the same, and does not make any representations as to the validity or sufficiency of the Trust Agreement or of the Bonds, and shall not incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Bonds assigned to or imposed upon it; provided, that the Trustee shall be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct. The Trustee (in its individual or any other capacity) may become the Owner of Bonds with the same rights it would have if it were not Trustee hereunder, and, to the extent permitted by law, may act as depository for and permit any of its officers,

directors and employees to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners, whether or not such committee shall represent the Owners of a majority in principal amount (or any lesser amount that may direct the Trustee in accordance with, and as provided in, the provisions of the Trust Agreement) of the Bonds then Outstanding. The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of a majority in principal amount (or any lesser amount that may direct the Trustee in accordance with, and as provided in, the provisions of the Trust Agreement) of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, hereunder. Whether or not therein expressly so provided, every provision of the Trust Agreement or related documents relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article. All indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, officers, employees and agents of the Trustee.

Section 9.06 Right to Rely on Documents. The Trustee may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection for any action taken or suffered or omitted by it hereunder in good faith and in accordance therewith.

Whenever in the administration of the trusts imposed upon it by the Trust Agreement the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by an Officer's Certificate, and such Certificate shall be full warrant to the Trustee for any action taken or suffered or omitted in good faith under the provisions of the Trust Agreement in reliance upon such Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee shall be entitled to advice of counsel and other professionals concerning all matters of trust and its duty hereunder, but the Trustee shall not be answerable for the professional malpractice of any attorney-at-law or certified public accountant in connection with the rendering of his professional advice in accordance with the terms of the Trust Agreement, if such attorney-at-law or certified public accountant was selected by the Trustee with due care.

Section 9.07 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of the Trust Agreement shall be retained in its possession and shall be subject at all reasonable times upon prior notice to the inspection of the Authority, the Owners of at least twenty-five percent (25%) of the aggregate principal amount of the Bonds, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

Section 9.08 Indemnity for Trustee. Before taking any action or exercising any rights or powers under the Trust Agreement, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all costs and expenses which it may incur and to indemnify it against all liability, except liability which may result from its negligence or willful misconduct, by reason of any action so taken.

ARTICLE X

EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 10.01 Execution of Instruments; Proof of Ownership. Any request, direction, consent or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor by different parties and may be signed or executed by such Owners in Person or by agent appointed by an instrument in writing. Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of the Trust Agreement and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted by either of them under such instrument if made in the following manner:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments within such jurisdiction, to the effect that the Person signing such instrument acknowledged before him the execution thereof, or by an affidavit of a witness to such execution.

(b) The fact of the ownership of Bonds under the Trust Agreement by any Owner and the serial numbers of such Bonds and the date of his ownership of the same shall be proved by the Bond Register.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters in this Article stated which to it may seem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond and any Bond or Bonds issued in exchange or substitution therefor or upon the registration of transfer thereof in respect of anything done by the Trustee in pursuance of such request or consent.

ARTICLE XI

MODIFICATION OF TRUST AGREEMENT AND SUPPLEMENTAL TRUST AGREEMENTS

Section 11.01 Supplemental Trust Agreements Without Consent of Owners. The Authority may, without the consent of the Owners, enter into any Supplemental Trust Agreement, which thereafter shall form a part of the Trust Agreement, for any one or more of the following purposes:

(a) to add to the agreements and covenants of the Authority contained in the Trust Agreement other agreements and covenants thereafter to be observed, or to surrender any right or power in the Trust Agreement reserved to or conferred upon the Authority; provided, that no such agreement, covenant or surrender shall materially adversely affect the rights of any Owner;

(b) to cure any ambiguity, to supply any omission or to cure, correct or supplement any defect or inconsistent provisions contained in the Trust Agreement or in any Supplemental Trust Agreement;

(c) to make any change which does not materially adversely affect the rights of any Owner;

(d) to grant to the Trustee for the benefit of the Owners additional rights, remedies, powers or authority;

(e) to subject to the Trust Agreement additional collateral or to add other agreements of the Authority;

(f) to modify the Trust Agreement or the Bonds to permit qualification under the Trust Indenture Act of 1939, as amended, or any similar statute at the time in effect, or to permit the qualification of the Bonds for sale under the securities laws of any state of the United States of America;

(g) [to make any change necessary or appropriate to accommodate changes to the Dissolution Act; provided, that no such change shall materially adversely affect the rights of any Owner;]

(h) to evidence the succession of a new Trustee; or

(i) in the Opinion of Bond Counsel, to preserve or assure the exemption of interest on the Tax Exempt Bonds from federal income taxes or the exemption from California personal income tax.

The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment, any particular Bond would be affected by any such modification or amendment of the Trust Agreement and any such determination shall be binding and conclusive on the Authority and all Owners of Bonds. For all purposes of this section, the Trustee shall be entitled to rely upon and shall be fully protected in relying upon an Opinion of Bond Counsel, in form and substance satisfactory to it, with respect to the extent, if any, to which any action affects the rights under the Trust Agreement of any Owner. [Notwithstanding anything to the contrary in this section, the written consent of the Bond Insurer shall be required prior to any amendment for the purposes set forth in clauses (b) or (c) of this section.]

Section 11.02 Trustee Authorized to Enter into Supplemental Trust Agreement.

The Trustee is hereby authorized to enter into any Supplemental Trust Agreement with the Authority authorized or permitted by the terms of the Trust Agreement, and to make the further agreements and stipulations which may be therein contained, and for all purposes of this section,

A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

E. Except as the Representative and the Authority may otherwise agree, the Authority will deliver to the Underwriters, at the offices of Bond Counsel in Los Angeles, California, or at such other location as may be mutually agreed upon by the Representative and the Authority, the documents hereinafter mentioned; and the Authority will deliver to the Underwriters through the facilities of The Depository Trust Company (“DTC”) in New York, New York, the Bonds, in definitive form (all Bonds bearing CUSIP numbers), duly executed by the Authority and authenticated by the Trustee in the manner provided for in the Trust Agreement and the Bond Law at 8:00 a.m. California time, on December __, 2013 (the “Closing Date”), and the Underwriters will accept such delivery and pay the purchase price of the Bonds as set forth in paragraph (A) of this Section by wire transfer, payable in federal or other immediately available funds (such delivery and payment being herein referred to as the “Closing”). The Bonds shall be in fully registered book-entry form (which may be typewritten) and shall be registered in the name of Cede & Co., as nominee of DTC.

2. Representations, Warranties and Covenants of the Authority. The Authority represents, warrants and covenants to the Underwriter that:

A. The Authority is a joint exercise of powers authority, duly organized and existing under the Constitution and laws of the State of California, and formed pursuant to Articles 1 through 4 (commencing with Section 6500) of Chapter 5, Division 7, Title 1 of the Government Code (the “JPA Act”), with full right, power and authority: (i) to enter into this Purchase Agreement and the Local Obligation Purchase Contracts; (ii) to enter into the Trust Agreement; (iii) to adopt the Authority Resolution authorizing the issuance of the Bonds and entry into this Purchase Agreement and the Trust Agreement and to take all other actions on the part of the Authority relating thereto; (iv) to issue, sell and deliver the Bonds to the Underwriters as provided herein; (v) to purchase the Local Obligations; and (vi) to carry out and consummate the transactions on its part contemplated by this Purchase Agreement, the Trust Agreement and the Official Statement.

The Trust Agreement, the Bonds, this Purchase Agreement and the Local Obligation Purchase Contracts are collectively referred to herein as the “Authority Documents.”

B. By all necessary official action of the Authority, the Authority has duly authorized and approved the execution and delivery by the Authority of, and the performance by the Authority of the obligations on its part contained in, the Authority Documents, and has approved the use by the Underwriter of the Preliminary Official Statement and the Official Statement and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the parties thereto, the Authority Documents will constitute the legally valid and binding obligations of the Authority enforceable upon the Authority in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally. To the best of the Authority’s knowledge, the Authority has complied, and will at the Closing Date be in compliance in all respects, with the terms of the Authority Documents that are applicable to the Authority.

C. The information in the Preliminary Official Statement and in the Official Statement (other than statements pertaining to the book-entry system, [Agency Appendices] [Discuss tables therein] as to which no view is expressed), is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

and, upon delivery and up to and including 25 days after the End of the Underwriting Period (as defined in paragraph (D) below), the Official Statement will be amended and supplemented so as to contain no misstatement of any material fact or omission of any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

D. Up to and including 25 days after the End of the Underwriting Period (as defined below), the Authority will advise the Underwriters promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriters, which consent will not be unreasonably withheld. The Authority will advise the Underwriters promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise materially affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds. As used herein, the term “End of the Underwriting Period” means the later of such time as: (i) the Bonds are delivered to the Underwriters; or (ii) the Underwriters do not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriters give notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the Authority at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the “End of the Underwriting Period.”

E. At the time of acceptance, the Authority is not, and as of the Closing Date, except as otherwise disclosed in the Official Statement, will not be, in breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State of California or the United States of America, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority is a party or is otherwise subject; and, to the Authority’s knowledge, no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have an adverse effect on the Authority’s ability to perform its obligations under the Authority Documents; and, as of such times, except as disclosed in the Official Statement, the authorization, execution and delivery of the Authority Documents and compliance by the Authority with the provisions of each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State of California or the United States of America, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties is bound; nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by the Authority Documents.

F. To the best knowledge of the Authority, at the time of acceptance, as of the Closing Date, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an “Action”) pending (notice of which has been served on the Authority) or to the best knowledge of the Authority threatened, in which any such Action: (i) in any way questions the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices; (ii) affects,

contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of Revenues (as defined in the Trust Agreement) or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the Authority Documents or the consummation of the transactions on the part of the Authority contemplated thereby; (iii) contests the exclusion of the interest on the Bonds from federal or state income taxation or contests the powers of the Authority which may result in any material adverse change relating to the financial condition of the Authority; or (iv) contests the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and, as of the time of acceptance hereof, there is not, and as of the Closing Date, there will be no known basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this sentence.

G. The Authority will furnish such information, execute such instruments and take such other action in cooperation with the Underwriters and at the expense of the Underwriters as the Underwriters may reasonably request in order: (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as the Underwriters may designate; and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds, provided; however, that the Authority will not be required to execute a special or general consent to service of process or qualify as a foreign corporation in connection with any such qualification in any jurisdiction.

H. The Authority Documents conform as to form and tenor to the descriptions thereof contained in the Official Statement. The Authority represents that the Bonds, when issued, executed and delivered in accordance with the Trust Agreement and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the Authority, entitled to the benefits of the Trust Agreement. The Trust Agreement creates a valid pledge of the moneys in certain funds and accounts established pursuant to the Trust Agreement, subject in all cases to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.

I. The issuance and sale of the Bonds is not subject to any transfer or other documentary stamp taxes of the State of California or any political subdivision thereof.

J. The Authority has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the Authority or the County of Los Angeles (the "County") is a bond issuer whose arbitrage certifications may not be relied upon.

K. Any certificate signed by any authorized officer of the Authority and delivered to the Representative in connection with the issuance and sale of the Bonds shall be deemed to be a representation and covenant by the Authority to the Underwriters as to the statements made therein.

L. The Authority will apply the proceeds of the Bonds in accordance with the Trust Agreement.

M. Between the date of this Purchase Agreement and the Closing Date, the Authority will not offer or issue any bonds, notes or other obligations for borrowed money not previously disclosed to the Representative.

N. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon and premium, if any, to maturity or to the date of redemption if redeemed prior to maturity, the Authority will faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Trust Agreement.

O. The Preliminary Official Statement was deemed final by a duly authorized officer of the Authority prior to its delivery to the Underwriters, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of the Rule. The Authority hereby covenants and agrees that, within seven (7) business days from the date hereof, or upon reasonable written notice from the Representative within sufficient time to accompany any confirmation requesting payment from any customers of the Underwriters, the Authority shall cause a final printed form of the Official Statement to be delivered to the Underwriters in sufficient quantity to comply with paragraph (b)(4) of the Rule and Rules G-12, G-15, G-32 and G-36 of the Municipal Securities Rulemaking Board.

The Authority hereby approves the preparation and distribution of the Official Statement, consisting of the Preliminary Official Statement with such changes as are noted thereon and as may be made thereto, with the approval of Bond Counsel, and the Underwriters, from time to time prior to the Closing Date.

The Authority hereby ratifies any prior use of and authorizes the future use by the Underwriters, in connection with the offering and sale of the Bonds, of the Preliminary Official Statement, the Official Statement, this Purchase Agreement, the Local Obligation Purchase Contracts and all information contained herein, and all other documents, certificates and written statements furnished by the Authority to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

The execution and delivery of this Purchase Agreement by the Authority shall constitute a representation to the Representative that the representations and warranties contained in this Section 2 are true as of the date hereof.

3. Conditions to the Obligations of the Underwriters. The obligation of the Underwriters to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriters, to the accuracy in all material respects of the representations and warranties on the part of the Authority contained herein, to the accuracy in all material respects of the statements of the officers and other officials of the Authority and the Agencies made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the Authority of its obligations to be performed hereunder at or prior to the Closing Date and, to the following additional conditions:

A. At the Closing Date, the Authority Resolution, the Agency Resolutions, the Authority Documents, the Local Obligation Indentures, the Continuing Disclosure Agreement and the Escrow Agreements relating to the respective Refunded Bonds of each Agency, each dated as of [December] 1, 2013 (collectively, the “Escrow Agreements” or, individually, each an “Escrow

Agreement”), shall be in full force and effect, and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Representative, and there shall have been taken in connection therewith, with the issuance of the Bonds and with the Local Obligations, and with the transactions contemplated thereby, and by this Purchase Agreement, all such actions as, in the opinion of Bond Counsel, shall be necessary and appropriate.

B. At the Closing Date, except as was described in the Preliminary Official Statement, the Authority shall not be, in any respect material to the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Authority is a party or is otherwise subject or bound, and the performance by the Authority of its obligations under the Authority Documents, the Authority Resolution and any other instruments contemplated by any of such documents, and compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Authority is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by the Authority of its obligations under the Authority Documents or the Authority Resolution.

C. At the Closing Date, except as described in the Preliminary Official Statement, the Agencies shall not be, in any respect material to the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which any Agency is a party or is otherwise subject or bound, and the performance by each Agency of its obligations under its respective Local Obligation, Agency Resolution, Local Obligation Indenture, Local Obligation Purchase Contract, Continuing Disclosure Agreement, Escrow Agreement and any other instruments contemplated by any of such documents, and compliance with the provisions of each thereof, or the performance of the conditions precedent to be performed hereunder, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which any Agency is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by any Agency of its obligations under its respective Local Obligation Indenture, the respective Local Obligation issued by such Agency or the performance of the conditions precedent to be performed by the Agencies hereunder, under the Continuing Disclosure Agreement, or under the applicable Escrow Agreements.

D. The information contained in the Official Statement is, as of the Closing Date and as of the date of any supplement or amendment thereto pursuant hereto, true and correct in all material respects and does not, as of the Closing Date or as of the date of any supplement or amendment thereto, contain any untrue statement of a material fact or omit to state a material fact

required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

E. Between the date hereof and the Closing Date, the market price or marketability, at the initial offering prices set forth on the cover page of the Official Statement, of the Bonds shall not have been materially adversely affected, in the judgment of the Representative (evidenced by a written notice to the Authority terminating the obligation of the Underwriters to accept delivery of and pay for the Bonds), by reason of any of the following:

1. Legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America or recommended to the Congress by the President of the United States of America, the Department of the Treasury, the Internal Revenue Service, or any member of Congress, or favorably reported for passage to either House of Congress by any committee of such House to which such legislation had been referred for consideration, or a decision rendered by a court established under Article III of the Constitution of the United States of America or by the Tax Court of the United States of America, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Treasury Department of the United States of America or the Internal Revenue Service, with the purpose or effect, directly or indirectly, of imposing federal income taxation upon such interest as would be received by any owners of the Bonds beyond the extent to which such interest is subject to taxation as of the date hereof;

2. Legislation introduced in or enacted (or resolution passed) by the Congress or an order, decree or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds or the Local Obligation, including any or all underlying arrangements, are not exempt from registration under or other requirements of the Securities Act of 1933, as amended, or that the Trust Agreement or the Local Obligation Indentures are not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended, or that the issuance, offering or sale of obligations of the general character of the Bonds or the Local Obligations, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise is or would be in violation of the federal securities laws as amended and then in effect;

3. A general suspension of trading in securities on the New York Stock Exchange, or a general banking moratorium declared by Federal, State of New York or State of California officials authorized to do so;

4. The introduction, proposal or enactment of any amendment to the Federal or California Constitution or any action by any Federal or California court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the Authority or the Agencies, their property, income, securities (or interest thereon), the validity or enforceability of Local Obligations, or the ability of the Authority to purchase any Local Obligations as contemplated by the Local Obligation Indentures and the Official Statement;

5. Any event occurring, or information becoming known which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Preliminary Official Statement or in the Official Statement, or has the effect that the

Preliminary Official Statement or the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

6. Any national securities exchange, the Comptroller of the Currency, or any other governmental authority, shall impose as to the Bonds, the Local Obligations or obligations of the general character of the Bonds or the Local Obligations, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriters;

7. There shall have occurred any material outbreak or escalation of hostilities or other calamity or crisis the effect of which on the financial markets of the United States of America is such as to make it impracticable, in the reasonable judgment of the Underwriters, following consultation with the Authority, to sell the Bonds;

8. Any proceeding shall have been commenced or be threatened in writing by the Securities and Exchange Commission against any of the Agencies, the County or the Authority;

9. An adverse event has occurred affecting the financial condition or operation of any of the Agencies which, in the opinion of the Underwriter, requires or has required a supplement or amendment to the Official Statement; or

10. Any rating of the securities of any of the Agencies shall have been downgraded, suspended or withdrawn by a national rating service, or there shall have been any official statement by a national rating service as to a possible downgrading (such as being placed on “credit watch” or “negative outlook” or any similar qualification), in either case which, in the Underwriter’s reasonable opinion, materially adversely affects the marketability or market price of the Bonds; or

11. Any legislation, ordinance, rule or regulation shall be introduced in, or be enacted by any governmental body, department or agency of the State, or a decision by any court of competent jurisdiction within the State or any court of the United States shall be rendered which, in the reasonable opinion of the Underwriter, materially adversely affects the market price of the Bonds.

7. A supplemental opinion or opinions, dated the Closing Date and addressed to the Underwriters, of Bond Counsel, to the effect that:

(i) this Purchase Agreement has been duly authorized, executed and delivered by the Authority and, assuming due authorization, execution and delivery by the Representative, constitutes the legal, valid and binding agreement of the Authority and is enforceable in accordance with its terms, except to the extent that enforceability may be limited by moratorium, bankruptcy, reorganization, insolvency or other similar laws affecting creditors' rights generally or by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases and by limitations on legal remedies against public agencies in the State of California;

[Name of Agency] (the “Agency”) hereby represents and warrants as follows:

1. The Agency is a public entity validly existing under the laws of the State of California (the “State”) with full right, power and authority to adopt the Agency Resolution, to issue its Local Obligations and to execute, deliver and perform its obligations under its Local Obligation Indenture, Local Obligation Purchase Contract, Continuing Disclosure Agreement and Escrow Agreement[s] (collectively, the “Agency Documents”) and to carry out and consummate the transactions contemplated by the Agency Documents and the Official Statement.

2. By all necessary official action, the Agency has duly adopted the Resolution No. ____ (the “Agency Resolution”) at a meeting properly noticed at which a quorum was present and acting throughout and has duly authorized and approved the execution and delivery of, and the performance by the Agency of the obligations contained in, the Agency Documents, and as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered, the Agency Documents will constitute the legally valid and binding obligations of the Agency enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against governmental agencies in the State of California. The Agency has complied, and will at the Closing be in compliance in all respects, with the terms of the Agency Documents.

3. The Agency deems Appendix __ to the Preliminary Official Statement to be final for purposes of the Securities and Exchange Commission Rule 15c2-12(b)(5) and has approved the distribution of such appendix as a part of the Preliminary Official Statement pursuant to the Agency Resolution.

4. The information contained in Appendix __ to the Preliminary Official Statement is true and correct in all material respects, and information contained in Appendix __ to the Preliminary Official Statement does not contain a misstatement of any material fact and does not omit any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

5. Until the date which is twenty-five (25) days after the “End of the Underwriting Period” (as hereinafter defined), if any event shall occur of which the Agency is aware, as a result of which it may be necessary to supplement Appendix __ to the Official Statement in order to make

the statements in Appendix __ to the Official Statement, in light of the circumstances existing at such time, not misleading, the Agency shall forthwith notify the Authority and the Underwriters of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriters' opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time. Unless the Underwriters give notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the Agency at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "End of the Underwriting Period."

6. Except as otherwise disclosed in Appendix __ to the Preliminary Official Statement, the Agency is not in breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Agency is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument; and, as of such times, except as disclosed in Appendix __ to the Preliminary Official Statement, the authorization, execution and delivery of the Agency Documents, and compliance with the provisions of each of such agreements or instruments do not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance agreement or other to which the Agency (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties is bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by the Agency Documents.

7. Except as disclosed in Appendix __ to the Preliminary Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or threatened: (i) in any way questioning the corporate existence of the Agency or the titles of the officers of the Agency to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of the Local Obligations, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Local Obligations, or in any way contesting or affecting the validity of the Local Obligations or the Agency Documents or the consummation of the transactions contemplated thereby or hereby, or contesting the exclusion of the interest on the Local Obligations from taxation or contesting the powers of the Agency or its authority to issue the Local Obligations; (iii) which may result in any material adverse change relating to the Agency; (iv) with respect to information relating to the Agency only, contesting the completeness or accuracy of Appendix __ to the Preliminary Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (v) there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this paragraph.

8. The Agency will refrain from taking any action with regard to which the Agency may exercise control that results in the inclusion in gross income for federal or State of California income tax purposes of the interest on the Local Obligation.

9. Except as disclosed in Appendix __ to the Preliminary Official Statement, the Agency has not defaulted under any prior continuing disclosure undertaking.

10. The Oversight Board has duly approved the issuance of the Local Obligation and no further Oversight Board approval or consent is required for the issuing of the applicable Local Obligations.

11. The Department of Finance of the State (the “Department of Finance”) has issued a Final and Conclusive Determination Letter (the “Final and Conclusive Determination Letter”) approving the issuance of the applicable Local Obligation and the payment of debt service on the applicable Local Obligation for the term of the applicable Local Obligation. No further Department of Finance approval or consent is required for the issuance of the applicable Local Obligation or the consummation of the transactions described in the Preliminary Official Statement. Except as disclosed in Appendix __ to the Preliminary Official Statement, the Agency is not aware of the Department of Finance directing or having any basis to direct the County Auditor-Controller to deduct unpaid unencumbered funds from future allocations of property tax to the Agency pursuant to Section 34183 of the Dissolution Act.

All terms not otherwise defined herein shall have the meaning ascribed to them in the Bond Purchase Agreement, dated _____, 2013 (the “Purchase Agreement”), by and between the County of Los Angeles Redevelopment Refunding Authority (the “Authority”) and E. J. De La Rosa & Co., Inc. (the “Representative”), on behalf of itself and Citigroup Global Markets Inc..

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority, based on an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2013A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986. In the further opinion of Bond Counsel, interest on the Series 2013A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes. Bond Counsel further observes that interest on the Series 2013B Bonds is not excluded from gross income for federal income tax purposes. Bond Counsel is also of the opinion that interest on the Series 2013 Bonds is exempt from State of California personal income taxes. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2013 Bonds, including whether interest on the Series 2013A Bonds is included in adjusted current earnings when calculating corporate alternative minimum taxable income. INTRODUCTION

This introduction contains only a brief summary of certain of the terms of the Series 2013 Bonds being offered, and a brief description of this Official Statement. All statements contained in this introduction are qualified in their entirety by reference to the entire Official Statement. References to, and summaries of, provisions of the Constitution and laws of the State of California (the “State”) and any documents referred to herein do not purport to be complete and such references are qualified in their entirety by reference to the complete provisions. All capitalized terms used in the forepart of this Official Statement and not otherwise defined herein have the respective meanings assigned to them in the Trust Agreement. See APPENDIX A – “SUMMARY OF TRUST AGREEMENT” attached hereto.

General

This Official Statement, including the cover page, the inside cover page and the appendices attached hereto (the “Official Statement”), provides certain information concerning the sale and issuance of the County of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2013[A] (Tax Exempt) (the “Series 2013A Bonds”) and Tax Allocation Revenue Refunding Bonds, Series 2013[B] (Federally Taxable) (the “Series 2013B Bonds” and, together with the Series 2013A Bonds, the “Series 2013 Bonds”). The Series 2013 Bonds are being issued pursuant to the Trust Agreement, dated as of December 1, 2013 (the “Trust Agreement”), by and between the County of Los Angeles Redevelopment Refunding Authority (the “Authority”) and U.S. Bank National Association, as trustee (the “Trustee”) and the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4 (commencing with Section 6584) of Chapter 5, Division 7, Title 1 of the California Government Code, as amended from time to time.

For over 50 years, State law has provided for the creation of redevelopment agencies and redevelopment commissions in accordance with the Community Redevelopment Law (Part 1 of Division 24 of the California Health and Safety Code and referred to herein as the “Law”). Once created, each was authorized to transact business and exercise its powers, all under and pursuant to the Law, including the power to issue bonds and incur indebtedness for any of its corporate purposes. As part of an effort to address structural deficits in the State’s general fund budgets for its fiscal years 2011-12 and 2012-13, the State Legislature and Governor serially enacted Assembly Bill X1 26 (“AB 26”) and Assembly Bill 1484 (“AB 1484”) as trailer bills necessary to implement provisions of the State’s budget acts for such years.

In general, this legislation dissolved redevelopment agencies and redevelopment commissions (“Former RDAs”) and provided for the assumption of defined enforceable obligations by successor agencies to such Former RDAs (the “Successor Agencies”) under limited powers and authority. AB 1484 was enacted on June 27, 2012 as part of the Fiscal Year 2012-2013 State of California budget bill. AB 1484 modified and supplemented provisions of AB 26, including provisions related to the refunding of outstanding redevelopment agency bonds and other indebtedness, and the expenditure of remaining bond

* Preliminary, subject to change.

proceeds derived from redevelopment agency bonds issued on or before December 31, 2010. With respect to outstanding bonds and indebtedness, AB 1484 authorizes successor agencies to refund outstanding bonds or other indebtedness provided that (i) the total interest cost to maturity on the refunding bonds or other indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded, and (ii) the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the refunded bonds or other indebtedness, to establish customary debt service reserves, and to pay related costs of issuance.

The County of Los Angeles (the “County”) has developed a program and caused the formation of the Authority to assist successor agencies to Former RDAs within the County to refund tax increment obligations pursuant to AB 1484 in order to provide debt service savings to such successor agencies and to increase property tax revenues available for distribution to affected taxing entities. In order to assist Agency Participants, the Authority will agree to facilitate debt service payments on the Local Obligation and to meet continuing disclosure requirement. The Authority will agree, at the irrevocable direction of each Agency Participant, to transfer to an account of such Agency Participant, held by the respective Agency Trustee under the Agency Indenture, all amounts set forth in any duly approved Recognized Obligation Payment Schedule (“ROPS”) with respect to principal and interest payments due on such Agency Participant’s Local Obligations, any Compliance Costs related thereto and any deficiency in the Reserve Account established pursuant to such Local Obligations. Such transfers to the Agency Trustee shall be made only after the payment of unsubordinated pass-through obligations to local taxing entities, as provided for in Assembly Bill 1484 and Section 34183 of the California Health and Safety Code. [With respect to continuing disclosure, the Authority will prepare and provide annual updates of the information contained in the tables included in this Official Statement with respect to property tax revenues, collections, any material delinquencies, principal taxpayers, and plan limit calculations and notices of enumerated events. Each respective Agency Participant will agree to be responsible for all remaining annual information required under the Continuing Disclosure Agreement. The Authority will act as Dissemination Agent and will file the annual reports and notices with the Municipal Securities Rulemaking Board (the “MSRB”) through its Electronic Municipal Market Access system (“EMMA”).]

Concurrently with the issuance of the Series 2013 Bonds, the Agency Participants (as defined herein), each being a successor agency located in the County (each, an “Agency Participant” and, collectively, the “Agency Participants”), will issue one or more individual series of tax allocation refunding bonds (each a “Local Obligation” and, together, the “Local Obligations”) pursuant to the respective indentures or supplements thereto, each dated as of December 1, 2013 (each an “Agency Indenture” and, together, the “Agency Indentures”), by and between a respective Agency Participant and the respective bank trustees (each, an “Agency Trustee”), the proceeds of which will be used to refund all or portion of certain bonds and indebtedness of such Agency Participants as more fully described herein. Proceeds of the Series 2013 Bonds will be used to purchase the Local Obligations. In certain instances, an Agency Participant may be issuing Local Obligations for separate redevelopment project areas. From time to time, and concurrently with the issuance of the Series 2013 Bonds, the Authority will issue series of refunding revenue bonds for the benefit of successor agencies, which may include some of the Agency Participants and one of their alternate redevelopment project areas.

The Series 2013 Bonds will be special, limited obligations of the Authority, payable from and secured by Revenues (as defined herein) of the Authority, consisting primarily of payments on the Local Obligations received by the Authority from the Agency Participants. Each series of Local Obligations will be payable from and secured by, designated property tax (formerly tax increment revenues) related to one or more redevelopment project areas of an Agency Participant, which will include, moneys deposited, from time to time, in the related Redevelopment Property Tax Trust Fund (“RPTTF”) attributable to such

Agency Participant and project area, as provided in the California Health and Safety Code as more fully described herein. Collectively, such tax increment revenues subject to a pledge under an Agency Indenture are referred to herein as “[Pledged Tax Increment]”). Payments under the Local Obligations are calculated to be sufficient to permit the Authority to pay the principal of, premium, if any, and interest on the Series 2013 Bonds when due. The Local Obligations will be registered in the name of the Trustee and Local Obligation payments will be paid to the Trustee. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS.”

Terms of the Series 2013 Bonds

The Series 2013 Bonds will be issued in denominations of \$5,000 and any integral multiple thereof (the “Authorized Denominations”). The Series 2013 Bonds will be dated their date of delivery and are payable with respect to interest semiannually each March 1 and September 1, commencing on _____ 1, 2014.

The Series 2013 Bonds will be delivered in fully-registered form only, and when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). DTC will act as securities depository for the Series 2013 Bonds. Ownership interests in the Series 2013 Bonds may be purchased in book-entry form only. Principal of and interest on the Series 2013 Bonds will be paid by the Trustee to DTC or its nominee, which will in turn remit such payments to its Participants (defined herein) for subsequent disbursement to the Owners of the Series 2013 Bonds. See APPENDIX C – “BOOK-ENTRY ONLY SYSTEM” attached hereto.

The Series 2013 Bonds are subject to redemption prior to maturity, as described herein. See “THE SERIES 2013 BONDS – Redemption” herein.

Security and Sources of Payment for the Series 2013 Bonds

The Series 2013 Bonds will be special obligations of the Authority, payable from and secured as to the payment of the principal thereof and the redemption premium, if any, and the interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from (i) the Revenues (as defined below); (ii) the amounts in the funds and accounts established under the Trust Agreement (except amounts in the Rebate Fund), and (iii) the Local Obligations (the “Trust Estate”). Under the Trust Agreement, “Revenues” is defined to mean all amounts received by the Trustee as the payment of interest or redemption premium on, or the equivalent thereof, and the payment or return of principal of, or the equivalent thereof, all Local Obligations, whether as a result of scheduled payments or Prepayments or remedial proceedings taken in the event of a default thereon, and all investment earnings on any moneys held in the funds or accounts established under the Trust Agreement, except the Rebate Fund.

The Series 2013 Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of or redemption premium, if any, or interest on the Series 2013 Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of the Authority is obligated to pay the principal of or redemption premium, if any, or interest on the Series 2013 Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of or redemption premium, if any, or interest on the Series 2013 Bonds. The payment of the principal of or redemption premium, if any, or interest on the Series 2013 Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority.

Each series of Local Obligations will be special obligations of the respective Agency Participant and are payable, as to interest thereon and principal thereof, exclusively from the [Pledged Tax Increment] under the related Agency Indenture, and the respective Agency Participant is not obligated to pay such principal and interest except from such [Pledged Tax Increment]. Each series of Local Obligations is payable as set forth in the respective Agency Indenture, is not a debt of the related city, the County, the State of California or any other political subdivision of the State, and neither said city, the State, the County nor any of the State's other political subdivisions is liable therefor, nor in any event shall a series of Local Obligations be payable out of any funds or properties other than those of the respective Agency Participant pledged therefor as provided in the related Agency Indenture.

Each Local Obligation has its own payment schedule which, in the aggregate, has been sized to pay debt service on the Series 2013 Bonds. There is no cross-collateralization among the Local Obligations or the legal documents securing the Local Obligations. All obligations of the respective Agency Participant with respect to the Local Obligations are not general obligations of the related city, but are limited obligations of the Agency Participants, payable solely from the [Pledged Tax Increment] under the related Agency Indenture and the funds pledged therefor under the related Agency Indenture, as applicable.

The Series 2013 Bonds will be issued as fully registered bonds in Authorized Denominations and will be numbered as the Authority will determine. The Series 2013 Bonds will bear interest from their date of initial delivery. Payment of the interest on any Bond will be made to the Person whose name appears on the Bond Register as the Owner thereof as of the Record Date, such interest to be paid by check mailed by first class mail on the Interest Payment Date to the Owner at the address which appears on the Bond Register as of the Record Date for that purpose; except that in the case of an Owner of one million dollars (\$1,000,000) or more in aggregate principal amount of Bonds, upon written request of such Owner to the Trustee, in form satisfactory to the Trustee, received not later than the Record Date, such interest will be paid on the Interest Payment Date in immediately available funds by wire transfer. The principal of and redemption premium, if any, on the Series 2013 Bonds will be payable at the Principal Corporate Trust Office of the Trustee upon presentation and surrender of such Bonds. Notwithstanding the foregoing, so long as DTC or its nominee is the registered owner of the Bonds, interest payments will be made as described in APPENDIX C – "BOOK-ENTRY ONLY SYSTEM" attached hereto.

Mandatory Redemption from Sinking Fund Installments. The Series 2013 Bonds maturing on September 1, 20__ are subject to mandatory redemption in part by lot on September 1 in each year commencing September 1, 20__, at the principal amount thereof plus accrued interest thereon to the date fixed for redemption in accordance with the following schedule:

**Redemption Date

*

* Stated Maturity

The Series 2013 Bonds maturing on September 1, 20__ are also subject to mandatory redemption in part by lot on September 1 in each year commencing September 1, 20__, at the principal amount thereof plus accrued interest thereon to the date fixed for redemption in accordance with the following schedule:

**Redemption Date
(September 1)**

* Stated Maturity

In the event that Series 2013 Bonds subject to mandatory redemption from Sinking Fund Installments are redeemed in part prior to their stated maturity date from any moneys other than Principal Installments, the remaining Principal Installments for such Series 2013 Bonds will be reduced as directed by the Authority.

Mandatory Redemption from Optional Agency Participant Prepayments. The Series 2013 Bonds will be subject to mandatory redemption on or after September 1, 20__, in whole or in part on any date, from and to the extent of any Prepayments with respect to the Local Obligations, at a redemption price equal to the principal amount of the Series 2013 Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption. For a summary of terms of redemption of the each respective Local Obligations, see Appendices __ through __ under the captions describing redemption of the Refunding Bonds.

Each Agency Indenture provides, in order to effect such optional redemption of respective Local Obligations, that the respective Agency Participant will deliver to the respective Agency Trustee (i) a Written Request of each Agency Participant specifying (A) the maturity or maturities, and the principal amount or amounts (or portion thereof), of the Callable Series 2013 Bonds to be mandatorily redeemed from such Prepayment, (B) the date on which such Callable Series 2013 Bonds are to be mandatorily redeemed from such Prepayment (which redemption date will be a date on which such Callable Series 2013 Bonds are subject to mandatory redemption from optional Agency Participant prepayments (the "Prepayments") pursuant to the Trust Agreement, (C) the amount of each mandatory sinking fund installment for the Series 2013 Bonds to be Outstanding after the date of such mandatory redemption from such Prepayments, and (D) the amount of the Prepayment (or redemption price) necessary to cause such mandatory redemption of such Callable Series 2013 Bonds, and (ii) a Cash Flow Certificate of an Independent Financial Consultant (A) demonstrating that, if such Prepayment is allocated and applied to the redemption of respective Local Obligations as provided in the paragraph immediately below, the debt service on the respective Local Obligations, together with the debt service payable on all other Local Obligations (as defined in the Trust Agreement), payable on each Interest Payment Date after such redemption date will be sufficient, but not materially more than sufficient, to pay debt service on the Series 2013 Bonds to be Outstanding on such Interest Payment Date, (B) specifying the principal amount,

as of such redemption date, of the respective Local Obligations, or portion thereof, to the optional redemption of which such Prepayment is to be allocated and applied as provided in the paragraph immediately below, (C) specifying the amount of the redemption premium, if any, to be paid in connection with such optional redemption of such respective Local Obligations, or portion thereof, to which such Prepayment is to be allocated and applied as provided in the paragraph immediately below, and (D) specifying the principal amount, and the amount of each mandatory sinking fund installment, as of such redemption date, of each respective Agency Refunding Bond that will remain Outstanding if such Prepayment is allocated and applied to the redemption of respective Local Obligations on such redemption date as provided in the paragraph immediately below, which Written Request of each Agency Participant and Cash Flow Certificate of such Independent Financial Consultant will be delivered to the respective Agency Trustee at least 35 days prior to such redemption date, or such later date as will be acceptable to the respective Agency Trustee.

No later than three (3) Business Day preceding the date specified in a Written Request of the related Agency Participant delivered pursuant to the paragraph immediately above as the date on which Callable Series 2013 Bonds are to be mandatorily redeemed from optional Local Agency Prepayments pursuant to the Trust Agreement, the respective Agency Participant will deliver to the respective Agency Trustee an amount equal to the amount of the Prepayment specified in such Written Request of the respective Agency Participant and, on such redemption date, the respective Agency Trustee will pay such amount to the Trustee, on behalf of the owners of such Callable Series 2013 Bonds. Upon the payment by the respective Agency Trustee to the Trustee of such amount representing such Prepayment (i) the respective Local Obligations, or portion thereof, debt service on which would have, after such redemption date, been applied to the payment of debt service on such Callable Series 2013 Bonds will, as of such redemption date, be deemed to have been optionally redeemed pursuant to the respective Agency Indenture, and will be considered to have been optionally redeemed pursuant to the respective Agency Indenture, in an amount equal to the principal amount of such respective Local Obligations, or portion thereof, as of such redemption date, and (ii) the remainder of (A) such Prepayment, less (B) accrued interest, if any, thereon and such principal amount of such respective Local Obligations, or portion thereof, as of such redemption date, will be deemed to be, and will be considered to be, the redemption premium paid in connection with such optional redemption of such respective Local Obligations, or portion thereof.

The Authority will give the Trustee written notice of the redemption of Series 2013 Bonds from optional Local Agency Prepayments not less than 45 days prior to the applicable redemption date, unless a later date is agreed to by the Trustee. Such written notice will be accompanied by the Written Request of each Agency Participant (as defined in the Agency Indenture) required to be delivered to, and the Cash Flow Certificate of an Independent Financial Consultant required to be filed pursuant to the respective Agency Indenture, and no such redemption of Series 2013 Bonds will occur unless such written notice is so accompanied by such Written Request of each Agency Participant and such Cash Flow Certificate of an Independent Financial Consultant. In the event that the Agency Trustee will mail notice of the redemption of any Local Obligations that will produce Prepayments with respect to Local Obligations, the Trustee will concurrently mail notice of the redemption of Series 2013 Bonds from optional Local Agency Prepayments, such redemption to occur on the date fixed for such redemption of such Local Obligations. On the date of such redemption of the Local Obligations, the proceeds of such redemption will be applied by the Trustee to pay the redemption price of Series 2013 Bonds from optional Local Agency Prepayments.

Mandatory Redemption as a Result of Acceleration. The Series 2013 Bonds will be subject to mandatory redemption, in whole or in part on any date, from and to the extent of any amounts received with respect to any Local Obligations as a result of the acceleration of amounts due on such Local Obligations upon an event of default thereunder, at a redemption price equal to the principal amount of

the Series 2013 Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption. Whenever less than all of the Series 2013 Bonds are to be redeemed as a result of acceleration, the Trustee will, on or prior to the redemption date, receive a Cash Flow Certificate specifying the maturity or maturities of Series 2013 Bonds to be redeemed and showing that the remaining payments of principal of and interest on Local Obligations, together with other Revenues available to the Trustee, will be sufficient to pay on a timely basis the principal of and the interest on the Series 2013 Bonds not so redeemed when due.

Notice of Redemption. In the case of any redemption of Bonds, the Trustee will give notice under the Trust Agreement that Bonds, identified by CUSIP numbers, serial numbers and maturity date, have been called for redemption and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof that has been called for redemption (or if all the Outstanding Bonds are to be redeemed, so stating, in which event such serial numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying such date) upon surrender thereof at the Principal Corporate Trust Office, at the redemption price (specifying such price), together with any accrued interest to such date, and that all interest on the Series 2013 Bonds, or portions thereof, so to be redeemed will cease to accrue on and after such date and that from and after such date such Bond or such portion will no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof will have no rights in respect of such redeemed Bond or such portion except to receive payment from such moneys of such redemption price plus accrued interest to the date fixed for redemption.

Such notice will be mailed by first class mail, postage prepaid, at least twenty (20) but not more than sixty (60) days before the date fixed for redemption, to the Security Depository, the MSRB and the Owners of such Bonds, or portions thereof, so called for redemption, at their respective addresses as the same will last appear on the Bond Register. No notice of redemption need be given to the Owner of a Bond to be called for redemption if such Owner waives notice thereof in writing, and such waiver is filed with the Trustee prior to the redemption date. Neither the failure of an Owner to receive notice of redemption of Bonds under the Trust Agreement nor any error in such notice will affect the validity of the proceedings for the redemption of Bonds.

Any notice of redemption may be expressly conditional and may be rescinded by Written Order given to the Trustee not later than five (5) days prior to the date fixed for redemption. Upon receipt of such Written Order, the Trustee will promptly mail notice of such rescission to the same parties that were mailed the original notice of redemption.

Selection of Bonds for Redemption. Whenever less than all the Outstanding Bonds of any one maturity are to be redeemed on any one date, the Trustee will select the particular Bonds to be redeemed by lot and in selecting the Series 2013 Bonds for redemption the Trustee will treat each Bond of a denomination of more than five thousand dollars (\$5,000) as representing that number of Bonds of five thousand dollars (\$5,000) denomination which is obtained by dividing the principal amount of such Bond by five thousand dollars (\$5,000), and the portion of any Bond of a denomination of more than five thousand dollars (\$5,000) to be redeemed will be redeemed in an Authorized Denomination. The Trustee will promptly notify the Authority in writing of the numbers of the Series 2013 Bonds so selected for redemption in whole or in part on such date.

Payment of Redeemed Bonds. If notice of redemption has been given as summarized above, or waived, each as provided in the Trust Agreement, the Series 2013 Bonds or portions thereof called for redemption will be due and payable on the date fixed for redemption at the redemption price thereof, together with accrued interest to the date fixed for redemption, upon presentation and surrender of the Series 2013 Bonds to be redeemed at the office specified in the notice of redemption. If there will be called for redemption less than the full principal amount of a Bond, the Authority will execute and deliver

and the Trustee will authenticate, upon surrender of such Bond, and without charge to the Owner thereof, Bonds of like interest rate and maturity in an aggregate principal amount equal to the unredeemed portion of the principal amount of the Series 2013 Bonds so surrendered in such Authorized Denominations as will be specified by the Owner.

If any Bond or any portion thereof will have been duly called for redemption and payment of the redemption price, together with unpaid interest accrued to the date fixed for redemption, will have been made or provided for by the Authority, then interest on such Bond or such portion will cease to accrue from such date, and from and after such date such Bond or such portion will no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof will have no rights in respect of such Bond or such portion except to receive payment of such redemption price, and unpaid interest accrued to the date fixed for redemption.

Purchase in Lieu of Redemption. In lieu of redemption of any Series 2013 Bond, amounts on deposit in the Principal Fund or in the Redemption Fund may also be used and withdrawn by the Trustee at any time prior to selection of Series 2013 Bonds for redemption having taken place with respect to such amounts, upon a Written Order for the purchase of such Series 2013 Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Fund) as the Authority may in its discretion determine, but not in excess of the redemption price thereof plus accrued interest to the purchase date. All Series 2013 Bonds so purchased will be delivered to the Trustee for cancellation.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS

Special Obligations

The Series 2013 Bonds will be special obligations of the Authority, payable from and secured as to the payment of the principal thereof and the redemption premium, if any, and the interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from the Trust Estate, which will consist primarily of principal and interest payments on the Local Obligations to be owned by the Authority as set forth in the respective Agency Indenture. The Series 2013 Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of or redemption premium, if any, or interest on the Series 2013 Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of the Authority is obligated to pay the principal of or redemption premium, if any, or interest on the Series 2013 Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of or redemption premium, if any, or interest on the Series 2013 Bonds. The payment of the principal of or redemption premium, if any, or interest on the Series 2013 Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority.

Each series of Local Obligations will be special obligations of the respective Agency Participant and are payable, as to interest thereon and principal thereof, exclusively from the respective [Pledged Tax Increment], and funds on deposit in certain funds and account established under the related Agency Indenture, and the respective Agency Participant is not obligated to pay such principal and interest except from such [Pledged Tax Increment]. Each series of Local Obligations is payable as set forth in the respective Agency Indenture, is not a debt of the related city, the County, the State of California or any other political subdivision of the State, and neither said city, the State, the County nor any of the State's other political subdivisions is liable therefor, nor in any event shall a series of Local Obligations be payable out of any funds or properties other than those of the respective Agency Participant pledged therefor as provided in the related Agency Indenture.

Each Local Obligation has its own payment schedule which, in the aggregate, have been sized to pay debt service on the Series 2013 Bonds. There is no cross-collateralization among the Local Obligations or the legal documents securing the Local Obligations. All obligations of the respective Agency Participant with respect to the Local Obligations are not general obligations of the related city, but are limited obligations of the Agency Participants, payable solely from the [Pledged Tax Increment] under the related Agency Indenture and the funds pledged therefor under the related Agency Indenture, as applicable.

The Authority will agree, at the irrevocable direction of each Agency Participant, to transfer to an account of each Agency Participant, held by the Agency Trustee under the related Agency Indenture, all amounts set forth in any duly approved ROPS with respect to principal and interest payments due on the Agency Participant's Local Obligations, any Compliance Costs related thereto and any deficiency in the Reserve Account established pursuant to such Local Obligations. Such transfers to the Agency Trustee shall be made only after the payment of unsubordinated pass-through obligations to local taxing entities, as provided for in Assembly Bill 1484 and Section 34183 of the California Health and Safety Code.

Tax Increment Revenues

Under California law, the rate of *ad valorem* property taxes which may be levied with respect to property within a project area is generally limited to 1% of the "full cash" assessed value. In this Official Statement and in Appendices ___ through ___ such taxes are referred to as the "general levy" and are allocated to the State, the County, the related city and all other taxing entities having jurisdiction over all or a portion of the respective redevelopment project area. The assessed values of property within such project area, as last equalized prior to adoption of the redevelopment plan, is the "base year" assessed values (the "Base Year").

Pursuant to subdivision (b) of Section 33670 of the Law and Section 16 of Article XVI of the Constitution of the State and as provided in the related redevelopment plan, taxes levied upon taxable property in the respective redevelopment project area each year by or for the benefit of the State, any city, county, city and county, district, or other public corporation (herein sometimes collectively called "taxing agencies") after the effective date of the ordinance approving such related redevelopment plan, or the respective effective dates of ordinances approving amendments to such related redevelopment plan that added territory to the respective redevelopment project area, as applicable, are to be divided as follows:

(a) *To Taxing Agencies:* That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the respective redevelopment project area as shown upon the assessment roll used in connection with the taxation of such property by such taxing agency last equalized prior to the effective date of the ordinance adopting the related redevelopment plan, or the respective effective dates of ordinances approving amendments to the related redevelopment plan that added territory to the respective redevelopment project area, as applicable (each, a "base year valuation"), will be allocated to, and when collected will be paid into, the funds of the respective taxing agencies as taxes by or for the taxing agencies on all other property are paid; and

(b) *To the Prior Agency:* Except for that portion of the taxes in excess of the amount identified in (a) above which are attributable to a tax rate levied by a taxing agency for the purpose of producing revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness approved by the voters of the taxing agency on or after January 1, 1989 for the acquisition or improvement of real property, which portion will be allocated to, and when collected will be paid into, the fund of that taxing agency, that portion of the levied taxes each year in excess of such amount, annually allocated within the Plan Limit following the Delivery Date, when

collected will be paid into a special fund of the former redevelopment agency. Section 34172 of the Dissolution Act provides that, for purposes of Section 16 of Article XVI of the State Constitution, the RPTTF attributable to such Agency Participant and project area will be deemed to be a special fund of each such Agency Participant to pay the debt service on indebtedness incurred by the former redevelopment agencies or each respective Agency Participant **to finance or refinance the redevelopment projects of the former redevelopment agencies.**

That portion of the levied taxes described in paragraph (b) above, less amounts deducted pursuant to Section 34183(a) of the Dissolution Act for permitted administrative costs of the County Auditor-Controller, constitute the amounts required under the Dissolution Act to be deposited by the County Auditor-Controller into the RPTTF. In addition, Section 34183 of the Dissolution Act effectively eliminates the January 1, 1989 date from paragraph (b) above.

Taxes are due in two equal installments. Installments of taxes levied upon secured property become delinquent on December 10 and April 10. Taxes on unsecured property are due March 1 and become delinquent August 31. As of February 1, 2012, the allocation of tax increment revenue was dictated by the legislation adopted as AB 26. Revenue to Successor Agencies is now made on January 2 and June 1 of each fiscal year. All tax increment revenue is accumulated by the County Auditor-Controller in the RPTTF for allocation on these two dates. The tax increment revenue available for allocation on January 1 consists of revenues collected after June 1 of the previous fiscal year and for collections in November and December of the current fiscal year. The tax increment revenues available for allocation on June 1 include revenues collected from January 1 to June 1 of the current fiscal year.

From the amounts accumulated in the RPTTF for each allocation date, the County Auditor-Controller is to deduct its own administrative charges and is to calculate and deduct amounts (if not subordinated) owed to taxing entities for tax sharing agreements entered into pursuant to Section 33401 of the Law and for statutory tax sharing obligations required by Sections 33607.5 and 33607.7 of the Law. The amount remaining after these reductions, if any, will be available for payment by the respective Agency Participant of debt obligations of the former redevelopment agency.

Previously, Section 33675 of the Law required the Former RDA to file a statement of indebtedness certified by the Former RDA for each redevelopment plan which provides for the allocation of taxes. The statement of indebtedness was required to contain the date on which the bonds were delivered, the principal amount, term, purposes and interest rate of the bonds and the outstanding balance and amount due on the bonds. Similar information was required to be given for each loan, advance or indebtedness that the Former RDA had incurred or entered into which is payable from tax increment. Section 33675 also provided that payments of tax increment revenues from the County Auditor to the Former RDA could not exceed the amounts shown on the Former RDA's statement of indebtedness. The Dissolution Act eliminates this requirement and provides that, commencing on the date the first ROPS is valid, the ROPS supersedes the statement of indebtedness previously required under the Law, and commencing from such date, the statement of indebtedness will no longer be prepared nor have any effect under the Law (see "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Recognized Obligation Payment Schedule").

Prior to receiving revenues on January 2 and June 1, the respective Agency Participant must adopt a ROPS that lists the debt obligations of the former redevelopment agency that must be paid during the upcoming six month periods of January 1 through June 30 and July 1 through December 31. There is provision in the legislation for a respective Agency Participant to request additional amounts in one ROPS payment to allow it to make payments that may be beyond the revenues available in the upcoming allocation cycle. The ROPS must be approved by an Oversight Board that is established in the legislation

with membership consisting of representatives from various taxing entities. The ROPS must also receive approval from the State Department of Finance (the “DOF”).

Each respective Agency Participant is entitled to receive an amount to cover the administrative costs of winding down the business of the former redevelopment agency. This amount is set by the legislation at a minimum \$250,000 per year and a maximum that is 3% of the amount allocated from the RPTTF attributable to such Agency Participant and project area. To the extent that revenues are insufficient to pay all of the approved ROPS obligations, each respective Agency Participant’s administrative allowance will be reduced or eliminated.

As to each respective Agency Participant, if there are RPTTF amounts remaining after reductions for county administrative charges, pass through obligations, ROPS obligations and the respective Agency Participant’s administrative allowance, these remainder amounts are referred to as Residual Revenue. Residual Revenue for each allocation cycle is proportionately allocated to the taxing entities and to the Educational Revenue and Augmentation Fund (“ERAF”).

Each of the Agency Participants has no power to levy and collect taxes, and any provision of law limiting property taxes or allocating additional sources of income to taxing agencies and having the effect of reducing the property tax rate must necessarily reduce the amount of tax increment revenues and, accordingly, [Pledged Tax Increment] that would otherwise be available to pay debt service on the respective Local Obligations. Likewise, broadened property tax exemptions could have a similar effect (see “LIMITATIONS ON TAX REVENUES” and “RISK FACTORS” below).

Conversely, any increase in the present tax rate or assessed valuation, or any reduction or elimination of present property tax exemptions, would increase the [Pledged Tax Increment] available to pay debt service on the respective Local Obligations (see “LIMITATIONS ON TAX REVENUES” and “RISK FACTORS” for discussion of the Constitutional constraints of increasing tax rates and assessed valuation).

The Dissolution Act requires the County Auditor-Controller to determine the amount of property taxes that would have been allocated to the Former RDA had the Former RDA not been dissolved pursuant to the operation of AB 26, using current assessed values on the last equalized roll on August 20, and to deposit that amount in the Redevelopment Property Tax Trust Fund for each of the Agency Participants established and held by the County Auditor-Controller (the “Redevelopment Property Tax Trust Fund” or “RPTTF”) pursuant to the Dissolution Act. The Dissolution Act provides that any bonds authorized under its terms to be issued by each of the Agency Participants will be considered indebtedness incurred by the dissolved RDA, with the same legal effect as if the bonds had been issued prior to effective date of AB 26, in full conformity with the applicable provision of the Law that existed prior to that date, and will be included in each of the Agency Participant’s ROPS. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Recognized Obligation Payment Schedule.”

The Dissolution Act further provides that bonds authorized under its terms to be issued by each of the Agency Participants will be secured by a pledge of, and lien on, and will be repaid from moneys deposited from time to time in the RPTTF attributable to such Agency Participant and project area, and that property tax revenues pledged to any bonds authorized under the Dissolution Act, such as the respective Local Obligations, are taxes allocated to each of the Agency Participants pursuant to the provisions of the Law and the State Constitution which provided for the allocation of tax increment revenues under the Law, as described in the foregoing paragraph.

[Discuss any Parity Bond and Senior Bond Limitations on Flow of Revenues to Local Obligations]

[In accordance with the Dissolution Act, the respective Local Obligations will be payable from and secured by, and [Pledged Tax Increment] will generally include, moneys deposited, from time to time, in the RPTTF attributable to such Agency Participant and project area, as provided in paragraph (2) of subdivision (a) of the California Health and Safety Code Section 34183. If, and to the extent, that the provisions of Section 34172 or paragraph (2) of subdivision (a) of Section 34183 are invalidated by a final judicial decision, then Pledged Tax Revenues will include all tax revenues allocated to the payment of indebtedness pursuant to the California Health and Safety Code Section 33670 or such other section as may be in effect at the time providing for the allocation of tax increment revenues in accordance with Article XVI, Section 16 of the California Constitution, which prior to the adoption of the Dissolution Act were required to be deposited into the respective Former RDA's low and moderate income housing fund pursuant to Sections 33334.2, 33334.3 and 33334.6 of the Law.]

[Taxes levied on the property within a respective project area on that portion of the taxable valuation over and above the taxable valuation of the applicable base year property tax roll with respect to the various territories within such project area, to the extent they constitute [Gross Tax Revenues], as further described in Appendices __ through ____, respectively, will be deposited in the RPTTF for transfer by the County Auditor-Controller to the respective Agency Participant's Redevelopment Obligation Retirement Fund on January 2 and June 1 of each year to the extent required for payments listed in the respective Agency Participant's ROPS in accordance with the requirements of the Dissolution Act (see "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Recognized Obligation Payment Schedule"). Monies deposited by the County Auditor-Controller into each of the Agency Participant's Redevelopment Obligation Retirement Fund will be transferred by each of the Agency Participants to the Trustee for deposit in the Debt Service Fund established under the respective Agency Indenture and administered by the respective Agency Trustee in accordance with the respective Agency Indenture.

Each of the Agency Participants has no power to levy and collect taxes, and various factors beyond its control could affect the amount of [Pledged Tax Revenues] available in any six-month period to pay the principal of and interest indebtedness including, without limitation, the respective Local Obligations (see "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Tax Allocation Financing" and "– Recognized Obligation Payment Schedule" and "SPECIAL RISK FACTORS").

Tax Allocation Financing

Prior to the enactment of AB 26, the Law authorized the financing of redevelopment projects through the use of tax increment revenues. This method provided that the taxable valuation of the property within a redevelopment project area on the property tax roll last equalized prior to the effective date of the ordinance which adopts the redevelopment plan becomes the base year valuation. Assuming the taxable valuation never drops below the base year level, the taxing agencies thereafter received that portion of the taxes produced by applying then current tax rates to the base year valuation, and the redevelopment agency was allocated the remaining portion produced by applying then current tax rates to the increase in valuation over the base year. Such tax increment revenues allocated to a redevelopment agency were authorized to be pledged to the payment of agency obligations.

The Dissolution Act authorizes refunding bonds, including the respective Local Obligations, to be secured by a pledge of monies deposited from time to time in a RPTTF attributable to such Agency Participant and project area held by a county auditor-controller with respect to a successor agency, which

are equivalent to the tax increment revenues that were formerly allocated under the Law to the redevelopment agency and formerly authorized under the Law to be used for the financing of redevelopment projects, less amounts deducted pursuant to Section 34183(a) of the Dissolution Act for permitted administrative costs of the county auditor-controller. Under the respective Agency Indenture, Pledged Tax Increment consists, as to each Agency Participant, of the amounts deposited from time to time in the RPTTF attributable to such Agency Participant and project area established pursuant to and as provided in the Dissolution Act. Successor agencies have no power to levy property taxes and must look specifically to the allocation of taxes as described above. See “LIMITATIONS ON TAX REVENUES” and “RISK FACTORS” in the forepart of this Official Statement.

Prior to the dissolution of redevelopment agencies, tax increment revenues from one project area could not be used to repay indebtedness incurred for another project area. However, the Dissolution Act has only required that county auditor-controllers establish a single RPTTF with respect to each former redevelopment agency within the respective county. Additionally, the Dissolution Act now requires that all revenues equivalent to the amount that would have been allocated as tax increment to the former redevelopment agency will be allocated to the RPTTF of the applicable successor agency, and this requirement does not require funds derived from separate project areas of a former redevelopment agency to be separated. In effect, in situations where a former redevelopment agency had established more than one redevelopment project area, the Dissolution Act combines the property tax revenues derived from all project areas into a single trust fund, the RPTTF, to repay indebtedness of the former redevelopment agency or the successor agency. To the extent the documents governing outstanding bonds of a redevelopment agency have pledged revenues derived from a specific project area, the Dissolution Act states, “It is the intent ... that pledges of revenues associated with enforceable obligations of the former redevelopment agencies are to be honored. It is intended that the cessation of any redevelopment agency will not affect either the pledge, the legal existence of that pledge, or the stream of revenues available to meet the requirements of the pledge.” The implications of these provisions of the Dissolution Act are not entirely clear when a former redevelopment agency has established more than one redevelopment project area.

The Law authorized redevelopment agencies to make payments to school districts and other taxing agencies to alleviate any financial burden or detriments to such taxing agencies caused by a redevelopment project as described, respectively, in Appendices __ through __ under the captions describing Pass-Through Agreements and Statutory Tax Sharing Agreements under the caption describing security for the Refunding Bonds. Negotiated agreements for this purpose are generally described as pass-through or tax sharing agreements (“Pass-Through Agreements” in the forepart of this Official Statement). Additionally, Section 33607.5 and 33607.7 of the Law required mandatory tax sharing applicable to redevelopment projects adopted after January 1, 1994, or amended thereafter in certain manners specified in such statutes (the “Statutory Pass-Through Amounts” in the forepart of this Official Statement). The Dissolution Act requires the county auditor-controller to distribute from the RPTTF amounts required to be distributed under the Pass-Through Agreements and for Statutory Pass-Through Amounts to the taxing entities for each six-month period before amounts are distributed by the county auditor-controller from the RPTTF to each of the Agency Participant’s Redevelopment Obligation Retirement Fund each January 2 and June 1, unless (i) pass-through payment obligations have previously been made subordinate to debt service payments for the bonded indebtedness of the dissolved agency, as succeeded by each of the Agency Participants, (ii) each of the Agency Participants has reported, no later than the December 1 and May 1 preceding the January 2 or June 1 distribution date, that the total amount available to each of the Agency Participants from the RPTTF allocation to each of the Agency Participant’s Redevelopment Obligation Retirement Fund, from other funds transferred from the dissolved agency, and from funds that have or will become available through asset sales and all redevelopment operations is insufficient to fund each of the Agency Participant’s enforceable obligations, pass-through payments, and each of the Agency Participant’s administrative cost allowance for the

applicable six-month period, and (iii) the State Controller has concurred with each of the Agency Participants that there are insufficient funds for such purposes for the applicable six-month period.

If the requirements stated in clauses (i) through (iii) of the foregoing paragraph have been met, the Dissolution Act provides for certain modifications in the distributions otherwise calculated to be distributed for such six-month period. To provide for calculated shortages to be paid to each of the Agency Participants for enforceable obligations, the amount of the deficiency will first be deducted from the residual amount otherwise calculated to be distributed to the taxing entities under the Dissolution Act after payment of each of the Agency Participant's enforceable obligations, pass-through payments, and each of the Agency Participant's administrative cost allowance. If such residual amount is exhausted, the amount of the remaining deficiency will be deducted from amounts available for distribution to each of the Agency Participants for administrative costs for the applicable six-month period in order to fund the enforceable obligations. Finally, funds required for servicing bond debt may be deducted from the amounts to be distributed under Pass-Through Agreements and for Statutory Tax Sharing Amounts, in order to be paid to each of the Agency Participants for enforceable obligations, but only after the amounts described in the previous two sentences have been exhausted.

The Dissolution Act provides for a procedure by which each of the Agency Participants may make Statutory Tax Sharing Amounts subordinate to the respective Local Obligations. Requests for subordination have been made in accordance with the Law in limited instances, as described in Appendices __ through __ under the captions describing Pass-Through Agreements and Statutory Tax Sharing Agreements under the caption describing security for the Refunding Bonds, in order to enhance the security for respective Local Obligations. In all other instances, the Agency Participants have determined to not undertake such procedure, and therefore, Statutory Tax Sharing Amounts are not subordinate to the respective Local Obligations, but maybe subordinate to senior or parity obligations. See Appendices __ through __ under the under the captions describing Pass-Through Agreements and Statutory Tax Sharing Agreements under the caption describing security for the Refunding Bonds.

None of the Agency Participants can guarantee that this process prescribed by the Dissolution Act of administering the tax increment revenues and the subordinations provided in the Law and the respective Pass-Through Agreements will effectively result in adequate tax increment revenues for the payment of principal and interest on the respective Local Obligations when due. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Recognized Obligation Payment Schedule." See also Appendices __ through __ under the captions "_____ – The Pass-Through Agreements" and "- Statutory Tax Sharing Payments" for additional information regarding the Pass-Through Agreements and the Statutory Tax Sharing Amounts applicable to each of the Agency Participants and the revenues derived from the respective project area.

Successor agencies have no power to levy property taxes and must look specifically to the allocation of taxes as described above. See "LIMITATIONS ON TAX REVENUES" and "RISK FACTORS" in the forepart of this Official Statement.

Recognized Obligation Payment Schedule

Before each six-month period, the Dissolution Act requires successor agencies to prepare and approve, and submit to the successor agency's oversight board and the DOF for approval, a ROPS pursuant to which enforceable obligations (as defined in the Dissolution Act) of the successor agency are listed, together with the source of funds to be used to pay for each enforceable obligation. As defined in the Dissolution Act, "enforceable obligation" includes bonds, including the required debt service, reserve set-asides, and any other payments required under the indenture or similar documents governing the issuance of the outstanding bonds of the former redevelopment agency, as well as other obligations such

as loans, judgments or settlements against the former redevelopment agency, any legally binding and enforceable agreement that is not otherwise void as violating the debt limit or public policy, contracts necessary for the administration or operation of the successor agency, and amounts borrowed from the Low and Moderate Income Housing Fund. A reserve may be included on the ROPS and held by the successor agency when required by the bond indenture or when the next property tax allocation will be insufficient to pay all obligations due under the provisions of the bond for the next payment due in the following six-month period.

[Under the Dissolution Act, the categories of sources of payments for enforceable obligations listed on a ROPS are the following: (i) the Low and Moderate Income Housing Fund, (ii) bond proceeds, (iii) reserve balances, (iv) administrative cost allowance, (v) the RPTTF (but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation or otherwise required under the Dissolution Act), or (vi) other revenue sources (including rents, concessions, asset sale proceeds, interest earnings, and any other revenues derived from the former redevelopment agency, as approved by the oversight board).]

The Dissolution Act provides that, commencing on the date the first ROPS is valid, only those payments listed in the ROPS may be made by the successor agency from the funds specified in the ROPS.

Commencing with the ROPS with respect to the six-month period July 1, 2013 through December 31, 2013, the ROPS must be submitted by each of the Agency Participants, after approval by the Oversight Board, to the county administrative officer, the county auditor-controller, the DOF, and the State Controller by 90 days before the date of the next January 2 or June 1 property tax distribution. If successor agency does not submit an Oversight Board-approved ROPS by such deadlines, [the related city/successor agency] will be subject to a civil penalty equal to \$10,000 per day for every day the schedule is not submitted to the DOF. Additionally, each of the Agency Participant's administrative cost allowance is reduced by 25% if the successor agency does not submit an Oversight Board-approved ROPS by the 80th day before the date of the next January 2 or June 1 property tax distribution, as applicable, with respect to the ROPS for subsequent six-month periods.

The Dissolution Act requires the DOF to make a determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations no later than 45 days after the ROPS is submitted. Within 5 business days of the determination by the DOF, successor agencies may request additional review by the department and an opportunity to meet and confer on disputed items, if any. The DOF will notify successor agencies and the county auditor-controller as to the outcome of its review at least 15 days before the January 2 or June 1 date of property tax distribution, as applicable. Additionally, the county auditor-controller may review a submitted ROPS and object to the inclusion of any items that are not demonstrated to be enforceable obligations and may object to the funding source proposed for any items, provided that the county auditor-controller must provide notice of any such objections to successor agencies, the Oversight Board, and the DOF at least 60 days prior to the January 2 or June 1 date of property tax distribution, as applicable.

In connection with the allocation and distribution by the county auditor-controller of property tax revenues deposited in the RPTTF, under the Dissolution Act the county auditor-controller must prepare estimates of the amounts of (i) property tax to be allocated and distributed and (ii) the amounts of pass-through payments to be made in the upcoming six-month period, and provide those estimates to the entities receiving the distributions and the DOF no later than October 1 and April 1 of each year, as applicable. If, after receiving such estimate from the county auditor-controller, an Agency Participant determines and reports, no later than December 1 or May 1, as applicable [(i.e., by May 1, 2013 with respect to the ROPS for July 1, 2013 through December 31, 2013)], that the total amount available to successor agencies from the RPTTF allocation to each of the Agency Participant's Redevelopment

Obligation Retirement Fund, from other funds transferred from a dissolved agency, and from funds that have or will become available through asset sales and all redevelopment operations, is insufficient to fund the payment of pass-through obligations, for a respective Agency Participant enforceable obligations listed on the ROPS, and for such Agency Participant's administrative cost allowance, the county auditor-controller must notify the State Controller and the DOF no later than 10 days from the date of such Agency Participant's notification. If the State Controller concurs that there are insufficient funds to pay required debt service, the Dissolution Act provides for certain adjustments to be made to the estimated distributions.

The Dissolution Act provides that any bonds authorized under its terms to be issued by a successor agency will be considered indebtedness incurred by the related dissolved RDA, with the same legal effect as if the bonds had been issued prior to effective date of AB 26, in full conformity with the applicable provision of the Law that existed prior to that date, and will be included in the related Agency Participant's ROPS. Additionally, if an enforceable obligation provides for an irrevocable commitment of property tax revenue and where allocation of revenues is expected to occur over time, the Dissolution Act provides that a successor agency may petition the DOF to provide written confirmation that its determination of such enforceable obligation as approved in a ROPS is final and conclusive, and reflects the department's approval of subsequent payments made pursuant to the enforceable obligation. If the confirmation is granted by the DOF, then the DOF's review of such payments in each future ROPS will be limited to confirming that they are required by the prior enforceable obligation.

Each of the Agency Participants has covenanted under the respective Agency Indenture to take all actions required under the Dissolution Act to include on the respective ROPS for each six-month period all payments to the Trustee to satisfy the requirements of the respective Agency Indenture and related obligations, including any amounts required under the respective Agency Indenture to replenish the Reserve Account of the Debt Service Fund to the full amount of the Reserve Account Requirement [and any amounts required under an indenture securing senior indebtedness to replenish the reserve account established thereunder, if any, to its required level].

Each of the Agency Participants has further covenanted under the respective Agency Indenture to comply with all other requirements of the Dissolution Act. Without limiting the generality of the foregoing, each of the Agency Participants covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by each of the Agency Participants with its covenants under the respective Agency Indenture. Further, each of the Agency Participants will take all actions required under the Dissolution Act to include scheduled debt service on the respective Local Obligations, as well as any amount required under the respective Agency Indenture to replenish the Reserve Account [and any amounts required under an indenture securing senior indebtedness to replenish the reserve account established thereunder, if any, to its required level], in the respective ROPS for each six-month period so as to enable the County Auditor-Controller to distribute from the RPTTF to each of the Agency Participant's Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for each of the Agency Participants to pay principal of, and interest on, the respective Local Obligations coming due in the respective six-month period. These actions will include, without limitation, placing on the periodic ROPS for approval by the Oversight Board and the DOF, to the extent necessary, the amounts to be held by each of the Agency Participants as a reserve until the next six-month period, as contemplated by paragraph (1)(A) of subdivision (d) of Section 34171 of the Dissolution Act, that are necessary to provide for the payment of principal and interest under the respective Agency Indenture [and any amounts required under an indenture securing senior indebtedness, if any] when the next property tax allocation is projected to be insufficient to pay all obligations due under the respective Agency Indenture [and any amounts required under an indenture securing senior, if any] for the next payment due in the following six-month period.

Local Obligations and the Agency Indentures

Subject only to the provisions of the respective Agency Indenture (including any obligations of an Agency Participant senior to its Agency Indenture) permitting the application thereof for the purposes and on the terms and conditions set forth in the Agency Indentures, all of the [Pledged Tax Increment] and all amounts on deposit from time to time in the funds and accounts established under the Agency Indentures (other than the Rebate Fund) will be pledged to the payment of the principal of and interest on the Outstanding Bonds as provided in the respective Agency Indenture. Each respective Agency Participant will irrevocably grant to the Trustee for the benefit of the Owners of the Outstanding Bonds (subject to any obligations of an Agency Participant senior to its Agency Indenture) a first charge and lien on, and a security interest in, and will pledge and assign, the [Pledged Tax Increment], whether held by each Agency Participant, the County Auditor-Controller, the County Treasurer and Tax Collector or the Trustee, and all amounts in the funds and accounts established under the respective Agency Indenture (other than the Rebate Fund).

Pursuant to the laws of the State of California, including California Health and Safety Code Sections 34183 and 34170.5(b), the County Auditor-Controller is obligated to deposit the [Pledged Tax Increment] into the RPTTF attributable to such Agency Participant and project area. Each Agency Participant shall take all steps to ensure that the County Auditor-Controller (1) deposits the [Pledged Tax Increment] into the RPTTF, (2) allocates funds for the principal and interest payments due on the Outstanding Bonds, any Compliance Costs and any deficiency in the Reserve Account pursuant to each valid ROPS in accordance with the Dissolution Act and as provided in the respective Agency Indenture, and (3) make the transfers to the respective Agency Trustee required thereunder.

Each Agency Participant will irrevocably instruct the Authority and the Auditor Controller to transfer to an account held by the respective Agency Trustee under the Agency Indenture, all amounts set forth in any duly approved ROPS with respect to principal and interest payments due on the related Local Obligations, any Compliance Costs related thereto and any deficiency in the Reserve Account established pursuant to such Local Obligations. Such transfers to the respective Agency Trustee shall be made only after the payment of unsubordinated pass-through obligations to local taxing entities, as provided for in Assembly Bill 1484 and Section 34183 of the California Health and Safety Code.

Each respective Agency Participant will take all actions required under the Dissolution Act to include on its ROPS for each six-month period all payments expected to be made to the Trustee in order to satisfy the requirements of the respective Agency Indenture, including any amounts required under the respective Agency Indenture to pay Compliance Costs and replenish the Reserve Account of the Tax Increment Fund to the full amount of the Reserve Account Requirement. Each respective Agency Participant shall include in its ROPS the amounts described below to be transmitted to the Trustee for the applicable six month period. Each respective Agency Participant shall submit an Oversight Board-approved ROPS to the County Auditor-Controller and the DOF (with a copy to the Authority) at least ninety (90) days prior to the January 2 RPTTF distribution and at least ninety (90) days prior to the June 1 RPTTF distribution, as applicable.

[The amount due to the Trustee from the County Auditor-Controller for deposit in the Tax Increment Fund on January 2 of the then-current year from amounts required to be deposited into the RPTTF shall equal (1) one-half of the sum of (a) all scheduled principal payments and Sinking Account Installments due and payable on the Outstanding Bonds during the then-current calendar year in accordance with the respective Agency Indenture, (b) all scheduled interest payments due and payable on the Outstanding Bonds during the then-current calendar year in accordance with the respective Agency Indenture, and (c) Compliance Costs, plus (2) the amount of any deficiency in the Reserve Account, less (3) the amounts, if any, on deposit in the Tax Increment Fund as of the date of submission for the ROPS

in accordance with the respective Agency Indenture, that are in excess of the amounts required to be applied to payment of principal of or interest or sinking account payments on the Outstanding Bonds in the then current calendar year. The amount due to the Trustee from the County Auditor-Controller for deposit in the Tax Increment Fund on June 1 of the then-current year from amounts required to be deposited into the RPTTF shall equal (1) the remaining one-half of the sum of (a) all scheduled principal payments and Sinking Account Installments due and payable on the Outstanding Bonds during the then-current calendar year in accordance with the respective Agency Indenture, (b) all scheduled interest payments due and payable on the Outstanding Bonds during the then-current calendar year in accordance with the respective Agency Indenture, and (c) Compliance Costs, plus (2) the amount of any remaining deficiency in the Reserve Account.]

In accordance with California Health and Safety Code Section 34183(b) on or before each May 1 and December 1, each Agency Participant shall determine and report to the County Auditor-Controller and the Authority any insufficiencies in the RPTTF to fund payments in accordance with the respective Agency Indenture, and cooperate with the County Auditor-Controller for its distribution of funds in accordance with California Health and Safety Code Section 34183.

[All [Pledged Tax Increment] received by each Agency Participant (1) during the period commencing on June 2 of the prior calendar year and ending January 2 of the then current calendar year in excess of the amount required, as provided in this section, to be deposited in the Tax Increment Fund on January 2, and (2) during the period commencing on January 3 of the then current calendar year and ending June 1 of such calendar year in excess of the amount required, as provided in this section, to be deposited in the Tax Increment Fund on June 1, shall, immediately following the deposit with the Trustee of the amounts required to be so deposited as provided in this section on each such date, be released from the pledge, security interest and lien under the respective Agency Indenture for the security of the Outstanding Bonds, and may be applied by each Agency Participant for any lawful purpose of each Agency Participant, including but not limited to the payment of subordinate debt, or the payment of any amounts due and owing to the United States of America pursuant to the respective Agency Indenture. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Outstanding Bonds and the payment in full of all other amounts payable under the respective Agency Indenture and under any Supplemental Indentures, each Agency Participant shall not have any beneficial right or interest in the moneys on deposit in the Tax Increment Fund, except as may be provided in the respective Agency Indenture and in any Supplemental Indenture.]

The Authority will agree, at the irrevocable direction of each Agency Participant, to transfer to an account of such Agency Participant, held by the respective Agency Trustee under the Agency Indenture, all amounts set forth in any duly approved Recognized Obligation Payment Schedule (“ROPS”) with respect to principal and interest payments due on such Agency Participant’s Local Obligations, any Compliance Costs related thereto and any deficiency in the Reserve Account established pursuant to such Local Obligations. Such transfers to the Agency Trustee shall be made only after the payment of unsubordinated pass-through obligations to local taxing entities, as provided for in Assembly Bill 1484 and Section 34183 of the California Health and Safety Code.

Covenants of the Agency Participants

Punctual Payment. Each Agency Participant will agree under its Agency Indenture to punctually pay the principal of, premium, if any, and the interest to become due with respect to the Series 2013 Bonds, in strict conformity with the terms of the Series 2013 Bonds and of the respective Agency Indenture and will faithfully satisfy, observe and perform all conditions, covenants and requirements of the Series 2013 Bonds and of the respective Agency Indenture.

Against Encumbrances. Each Agency Participant will agree under its Agency Indenture to not mortgage or otherwise encumber, pledge or place any charge upon any of the [Pledged Tax Increment], except as provided in the respective Agency Indenture, and will not issue any obligation or security superior to or on a parity with then Outstanding Bonds payable in whole or in part from the [Pledged Tax Increment] (other than Additional Bonds in accordance with the respective Agency Indenture).

Payment of Claims. Subject to the terms of the Dissolution Act, each Agency Participant will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by each Agency Participant or upon the [Pledged Tax Increment] or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Series 2013 Bonds; provided that nothing contained in the respective Agency Indenture will require each Agency Participant to make any such payments so long as each Agency Participant in good faith will contest the validity of any such claims.

Protection of Security and Rights of Owners. Each Agency Participant will agree under its Agency Indenture to preserve and protect the security of the Series 2013 Bonds and the rights of the Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any Bonds by each Agency Participant, such Bonds will be incontestable by each Agency Participant.

Amendment of Redevelopment Plan. Each Agency Participant will agree under its Agency Indenture to not amend its redevelopment plan except as provided in this paragraph and as permitted by the Law. If each Agency Participant proposes to amend the related redevelopment plan, it will cause to be filed with the Trustee a Consultant's Report on the effect of such proposed amendment. If the Consultant's Report concludes that [Pledged Tax Increment] will not be materially reduced by such proposed amendment, each Agency Participant may undertake such amendment. If the Consultant's Report concludes that [Pledged Tax Increment] will be materially reduced by such proposed amendment, each Agency Participant may not undertake such proposed amendment. [Notwithstanding the foregoing, each Agency Participant must obtain the Bond Insurer's prior written consent for any amendment of the related redevelopment plan which would (i) reduce the amount of [Pledged Tax Increment] that may be received by each Agency Participant or (ii) reduce the period during which each Agency Participant may collect [Pledged Tax Increment].]

Tax Increment Revenues. Each Agency Participant will agree under its Agency Indenture to comply with all requirements of the Law to ensure the allocation and payment to it of the [Pledged Tax Increment], including without limitation the timely filing of any necessary ROPS. Each Agency Participant will represent and agree under its Agency Indenture that the pledge, payment and setting aside of [Pledged Tax Increment] as provided for in the respective Agency Indenture is not subject to any limitation contained in Article XIII B of the Constitution of the State of California.

Each Agency Participant will agree under its Agency Indenture that, for so long as the receipt of [Pledged Tax Increment] is subject to a tax increment limit under the Law, at such time after it has received [Pledged Tax Increment] in excess of \$_____, it will annually review the total amount of [Pledged Tax Increment] remaining available to be received by each Agency Participant under the related redevelopment plan's cumulative tax increment limitation, as well as future cumulative Annual Debt Service. See Appendices __ and __ for currently applicable redevelopment plan limits relevant to the debt service obligations on the Series 2013 Bonds. As discussed, there is a question on the applicability of tax increment limits after adoption of AB 26 and AB 1484. The matter remains subject to further guidance from the DOF, legislation and interpretation by the courts. If any respective Agency Participant's project area's cumulative tax increment limit is deemed to no longer be applicable, no interruption of tax increment revenue will occur. For purposes of the projections in this Official

Statement and appearing in Appendices ___ and ___, it is assumed that all redevelopment plan limits will be enforced.

Tax Covenants; Rebate Fund. Each Agency Participant will agree under its Agency Indenture to not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on any of the [Tax-Exempt Authority Bonds] under Section 103 of the Code. Each Agency Participant will agree under its Agency Indenture to pay from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the [Tax-Exempt Authority Bonds] from time to time. Upon receipt of the Rebate Instructions required to be delivered to the Trustee by the Tax Certificate, the Trustee will remit part or all of the balances held in the Rebate Fund established under the respective Agency Indenture to the related Agency Trustee for payment to the federal government of the United States of America, as so directed.

Compliance with the Dissolution Act. Each Agency Participant will agree under its Agency Indenture that it will comply with all requirements of the Dissolution Act. Without limiting the generality of the foregoing, each Agency Participant will covenant and agree to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by each Agency Participant with its covenants under the respective Agency Indenture. Further, each Agency Participant will take all actions required under the Dissolution Act to include scheduled debt service on the Series 2013 Bonds, as well as any amount required under the respective Agency Indenture to replenish the Reserve Account in ROPS for each six-month period so as to enable the County Auditor-Controller to distribute from the RPTTF to each Agency Participant's Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for each Agency Participant to pay the principal of, premium, if any, and the interest on the Series 2013 Bonds coming due in the respective six-month period. These actions will include, without limitation, placing on the periodic ROPS for approval by the Oversight Board and the DOF, to the extent necessary, the amounts to be held by each Agency Participant as a reserve until the next six-month period, as contemplated by paragraph (1)(A) of subdivision (d) of Section 34171 of the Dissolution Act, that are necessary to provide for the payment of principal of, premium, if any, and the interest under the respective Agency Indenture when the next property tax allocation is projected to be insufficient to pay all obligations due under the respective Agency Indenture for the next payment due in the following six-month period.

Adverse Change in State Law. [Discuss].

Written Determination of the Department of Finance. Each Agency Participant will agree under its Agency Indenture that it will use its best efforts to obtain at the earliest possible date following issuance of the Series 2013 Bonds a written confirmation from the DOF with respect to debt service on the Series 2013 Bonds pursuant to Section 34177.5(i) of the California Health and Safety Code that its determination that the payment of debt service on the Series 2013 Bonds is an enforceable obligation as approved in a ROPS is final and conclusive, and reflects the DOF's approval of subsequent payments made pursuant to such enforceable obligation.

Credits to Redevelopment Obligation Retirement Fund. Each Agency Participant will agree under its Agency Indenture to credit all [Pledged Tax Increment] withdrawn from the RPTTF by the County Auditor-Controller and remitted to the Trustee for the payment of the Series 2013 Bonds to the Redevelopment Obligation Retirement Fund established pursuant to Section 34170.5 of the California Health and Safety Code.

Limited Obligations of the Agency Participants

The respective Local Obligations are not a debt of the cities referenced in this Official Statement, the State or any of its political subdivisions, and neither the cities referenced in this Official Statement, the State nor any of its political subdivisions, other than each of the Agency Participants, is liable in any way for the respective Local Obligations. The principal of, premium, if any, and interest on the respective Local Obligations are payable solely from the [Pledged Tax Increment] under the related Agency Indenture and the funds pledged therefor under the related Agency Indenture, as applicable. The respective Local Obligations are limited obligations of each of the Agency Participants payable solely from and secured by the [Pledged Tax Increment] to be derived from the respective redevelopment project area, and from the amounts on deposit in certain funds as further described in Appendix __. In some instances, payment of principal, premium, if any, and interest on the respective Local Obligations is subordinate to payment of principal of, premium, if any, and interest on certain other outstanding obligations of such Agency Participant. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – [Pledged Tax Increment]” for a description of existing indebtedness with a lien on [Pledged Tax Increment] senior to the respective Local Obligations. Each of the Agency Participants will covenant and agree under its respective Agency Indenture to not issue obligations with a lien on [Pledged Tax Increment] senior to the lien of the respective Local Obligations. The respective Local Obligations are issued pursuant to the respective Agency Indenture (as defined in Appendix __), between each of the Agency Participants and the Trustee.

LIMITATIONS ON TAX REVENUES

Property Tax and Spending Limitations

Article XIII A of the California Constitution. Section 1(a) of Article XIII A of the California Constitution limits the maximum *ad valorem* tax on real property to one percent of full cash value, to be collected by the counties and apportioned according to law. Section 2 of Article XIII A defines “full cash value” to mean “the county assessor’s valuation of real property as shown on the 1975/76 tax bill under full cash value or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment.” The full cash value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or reduction in the consumer price index or comparable data for the area under taxing jurisdiction or reduced in the event of declining property value caused by substantial damage, destruction or other factors. Legislation enacted by the California Legislature to implement Article XIII A provides that notwithstanding any other law, local agencies may not levy any *ad valorem* property tax except to pay debt service on indebtedness approved by the voters as described above.

In the general elections of 1986, 1988, and 1990, the voters of the State approved various measures which further amended Article XIII A. One such amendment generally provides that the purchase or transfer of (i) real property between spouses or (ii) the principal residence and the first \$1,000,000 of the full cash value of other real property between parents and children, do not constitute a “purchase” or “change of ownership” triggering reassessment under Article XIII A. This amendment will reduce the tax increment of each of the Agency Participants. Other amendments permitted the Legislature to allow persons over 55 who sell their residence and on or after November 5, 1986, to buy or build another of equal or lesser value within two years in the same county, to transfer the old residence’s assessed value to the new residence, and permitted the Legislature to authorize each county under certain circumstances to adopt an ordinance making such transfers or assessed value applicable to situations in which the replacement dwelling purchased or constructed after November 8, 1988, is located within that county and the original property is located in another county within California.

In the June 1990 election, the voters of the State approved additional amendments to Article XIII A permitting the State Legislature to extend the replacement dwelling provisions applicable to persons over 55 to severely disabled homeowners for replacement dwellings purchased or newly constructed on or after June 5, 1990, and to exclude from the definition of “new construction” triggering reassessment improvements to certain dwellings for the purpose of making the dwelling more accessible to severely disabled persons. In the November 1990 election, the voters approved the amendment of Article XIII A to permit the State Legislature to exclude from the definition of “new construction” seismic retrofitting improvements or improvements utilizing earthquake hazard mitigation technologies constructed or installed in existing buildings after November 6, 1990.

Both the California Supreme Court and the United States Supreme Court have upheld the constitutionality of Article XIII A.

Article XIII B of the California Constitution. On November 6, 1979, California voters approved Proposition 4, the Gann Initiative, which added Article XIII B to the California Constitution. The principal effect of Article XIII B is to limit the annual appropriations of the State and any city, county, school district, authority or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted for changes in the cost of living, population and services rendered by the government entity.

Appropriations subject to Article XIII B include generally the proceeds of taxes levied by the State or other entity of local government, exclusive of certain State subventions, refunds of taxes, benefit payments from retirement, unemployment insurance and disability insurance funds.

Effective September 30, 1980, the California Legislature added Section 33678 to the Law which provides that the allocation of taxes to a redevelopment agency for the purpose of paying principal of, or interest on, loans, advances, or indebtedness will not be deemed the receipt by the agency of proceeds of taxes levied by or on behalf of the agency within the meaning of Article XIII B or any statutory provision enacted in implementation thereof, including Section 33678 of the Law. The constitutionality of Section 33678 has been upheld by the Second and Fourth District Courts of Appeal in two decisions: *Bell Community Redevelopment Agency v. Woosely* and *Brown v. Community Redevelopment Agency of the City of Santa Ana*. On the basis of these decisions, the Agency Participants have not adopted an appropriations limit.

Proposition 218. On November 5, 1996, the voters of the State approved Proposition 218, the “Right to Vote on Taxes Act.” Proposition 218 added Articles XIII C and XIII D to the State Constitution, which contain a number of provisions affecting the ability of the public agencies to levy and collect both existing and future taxes, assessments, fees and charges.

Article XIII C removes limitations on the initiative power in matters of local taxes, special taxes, assessments, fees and charges. While the matter is not free from doubt, it is likely that a court would hold that the initiative power cannot be used to reduce or repeal the levy of property taxes or to materially affect the collection and pledge of [Pledged Tax Increment].

The interpretation and application of the initiative provisions of Proposition 218 will ultimately be determined by the courts with respect to a number of the matters discussed above, and while it is not possible at this time to predict with certainty the outcome of such determination, each of the Agency Participants does not believe that Proposition 218 will materially affect its ability to pay principal of or interest on the respective Local Obligations.

Implementing Legislation

Legislation enacted by the California Legislature to implement Article XIII A provides that all taxable property is shown at full assessed value as described above. In conformity with this procedure, all taxable property value included in Appendix ___ (except as noted) is shown at 100% of assessed value and all general tax rates reflect the \$1.00 per \$100 of taxable value. Tax rates for bond debt service and pension liability are also applied to 100% of assessed value.

Future assessed valuation growth allowed under Article XIII A (new construction, change of ownership, 2% annual value growth) will be allocated on the basis of “situs” among the jurisdictions that serve the tax rate area within which the growth occurs. Local agencies and school districts will share the growth of “base” revenue from the tax rate area. Each year’s growth allocation becomes part of each agency’s allocation in the following year. Neither the Authority nor any of the Agency Participants is able to predict the nature or magnitude of future revenue sources which may be provided by the State to replace lost property tax revenues. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above the 1% limit except for taxes to support indebtedness approved by the voters as described above.

Redevelopment Plan Limits

There is a question on the applicability of tax increment limits as to time and amounts established under redevelopment plans after the adoption of AB 26 and AB 1484. The matter remains subject to further guidance from the DOF, legislation and interpretation by the courts. If the cumulative tax increment limit is deemed to no longer be applicable, no interruption of tax increment revenue will occur. For purposes of the projections in [this Official Statement and in] Appendices ___ through ___ and in the Fiscal Consultant’s Report appearing in Appendix ___, it is assumed that all redevelopment plan limits will be enforced. For information regarding the Agency Participants, see Appendices ___ through ___ under the caption “_____.”

Unitary Property

Assembly Bill 2890 (Statutes of 1986, Chapter 1457), which added Section 98.9 to the California Revenue and Taxation Code, provided that, commencing with the Fiscal Year 1988-89, assessed value derived from State-assessed unitary property (consisting mostly of operational property owned by utility companies) was to be allocated county-wide as follows: (i) each tax rate area will receive the same amount from each assessed utility received in the previous fiscal year unless the applicable county-wide values are insufficient to do so, in which case values will be allocated to each tax rate area on a pro rata basis; and (ii) if values to be allocated are greater than in the previous fiscal year, each tax rate area will receive a pro rata share of the increase from each assessed utility according to a specified formula. Additionally, the lien date on State-assessed property was changed from March 1 to January 1.

Assembly Bill 454 (Statutes of 1987, Chapter 921) further modified the distribution of tax revenues derived from property assessed by the State Board of Equalization. Chapter 921 provided for the consolidation of all State-assessed property, except for regulated railroad property, into a single tax rate area in each county. Chapter 921 further provided for a new method of establishing tax rates on State-assessed property and distribution of property tax revenues derived from State-assessed property to taxing jurisdictions within each county as follows: for revenues generated from the 1% tax rate, each jurisdiction, including redevelopment project areas, will receive a percentage up to 102% of its prior year State-assessed unitary revenue; and if county-wide revenues generated for unitary property are greater than 102% of the previous year’s unitary revenues, each jurisdiction will receive a percentage share of the excess unitary revenue generated from the application of the debt service tax rate to county-wide unitary

taxable value, further, each jurisdiction will receive a percentage share of revenue based on the jurisdiction's annual debt service requirements and the percentage of property taxes received by each jurisdiction from unitary property taxes in accordance with a new formula. Railroads will continue to be assessed and revenues allocated to all tax rate areas where railroad property is sited.

The intent of Chapters 1457 and 921 was to provide redevelopment agencies with their appropriate share of revenue generated from the property assessed by the State Board of Equalization.

Each of the Agency Participants has projected the amount of unitary revenues to be allocated for 2013-14 within the respective redevelopment project area. See Appendices __ through __ respectively for such information. Neither the Authority nor any Agency Participant can predict the effect of any future litigation or settlement agreements on the amount of unitary tax revenues received or to be received nor the impact on unitary property tax revenues of any transfer of electrical transmission lines to tax-exempt agencies.

Tax Rates

Tax increment revenues are computed based upon the annual incremental assessed value of the respective project area multiplied by a tax rate determined by the County Auditor-Controller. The tax rate consists of the general tax levy of \$1.00 per \$100 of assessed value and any override tax rate which represents the debt service levy whose indebtedness has been authorized by voter approval. [Override debt service tax rates are being allocated to the levying taxing entity but are shown on the County RPTTF documents as 100% pass through amounts to the levying taxing entity.]

See Appendices __ through __ under the caption "THE PROJECT AREA - Projected Tax Increment Revenues" for a discussion of the tax rate assumptions utilized by the respective Agency Participants in projecting [Gross Tax Revenues].

Additional Limitation on Tax Increment Revenues

On November 8, 1988 the voters of the State approved Proposition 87, which amended Article XVI, Section 16 of the California Constitution to provide that property tax revenue attributable to the imposition of taxes on property within a redevelopment project area for the purpose of paying debt service on bonded indebtedness approved by the voters of the taxing entity after January 1, 1989 will be allocated to the taxing entity and not to the redevelopment agency. [Each of the Agency Participants does not currently project receive any tax increment revenues and, accordingly, [Pledged Tax Increment] as a result of general obligation bonds which may be approved on or after January 1, 1989.]

Tax Increment Limitation; Senate Bill 211

Assembly Bill 1290 ("AB 1290") was signed into law by the Governor in December 1993 and amends various provisions of the Law. AB 1290 provides for the placement of time limits on the effectiveness of every redevelopment plan, and provides that after 10 years from the termination date of a plan's effectiveness, no redevelopment agency, subject to certain exceptions, will pay indebtedness or receive property taxes in connection therewith. In addition, in connection with the shift of tax increment revenues, (i) SB 1045 allowed each of the Agency Participants to extend the effective date of the related redevelopment plan, and the date to receive [Pledged Tax Increment] in the respective redevelopment project area, by one year, and (ii) SB 1096 allowed each of the Agency Participants to extend the effective date of the related redevelopment plan, and the date to receive [Pledged Tax Increment], by two years subject to compliance with major housing requirements. [Each of the Agency Participants has taken such action with respect to SB 1045, and the projections of [Pledged Tax Increment] reflect such extensions.

Pursuant to the related redevelopment plan, the expiration date of the related redevelopment plan is as described in Appendices __ through __ under the caption “_____.”

On October 10, 2001 the Governor of the State signed into law Senate Bill 211 (“SB 211”), which allows redevelopment agencies to eliminate the time limits on their ability to incur debt for project areas established prior to January 1, 1994. Additionally, SB 211 allows redevelopment agencies to extend the termination date of their redevelopment plans and the deadline for the receipt of tax increment for the repayment of debt by 10 years for project areas established prior to January 1, 1994. In order to extend the termination of the redevelopment plans or the deadline for the receipt of tax increment for the repayment of debt, the redevelopment agency must make certain findings of blight in the applicable project areas. Additionally, if a redevelopment agency elected to extend the time limits on the incurrence of debt, the termination of the redevelopment plans or the deadline for the receipt of tax increment for the repayment of debt, the redevelopment agency must make certain additional statutory pass-throughs to other taxing entities. The expiration date of the respective redevelopment plans is as described in Appendices __ through __ under the caption “THE REDEVELOPMENT PLAN – Financial Limitations.”

RISK FACTORS

The following factors, along with all other information in this Official Statement, should be considered by potential investors in evaluating the Series 2013 Bonds and the credit quality of the respective Local Obligations. The following does not purport to be an exhaustive listing of risks and other considerations which may be relevant to investing in the Series 2013 Bonds. In addition, the order in which the following information is presented is not intended to reflect the relative importance of any such risks. For a discussion of certain matters that will or could cause reductions in the [Pledged Tax Increment] available in future years, see “LIMITATIONS ON TAX REVENUES” in the forepart of this Official Statement and “SPECIAL RISK FACTORS” in Appendices __ through __.

Limited Special Obligations

The Series 2013 Bonds will be special obligations of the Authority, payable from and secured as to the payment of the principal thereof and the redemption premium, if any, and the interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from the Trust Estate, which will consist primarily of principal and interest payments on the Local Obligations to be owned by the Authority as set forth in the respective Agency Indenture. The Series 2013 Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of or redemption premium, if any, or interest on the Series 2013 Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of the Authority is obligated to pay the principal of or redemption premium, if any, or interest on the Series 2013 Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of or redemption premium, if any, or interest on the Series 2013 Bonds. The payment of the principal of or redemption premium, if any, or interest on the Series 2013 Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority.

Risks of Real Estate Secured Investments Generally

The Owners and Beneficial Owners of the Series 2013 Bonds will be subject to the risks generally incident to an investment secured by real estate, including, without limitation, (a) adverse changes in local market conditions, such as changes in the market value of real property within and in the vicinity of the respective project areas, the supply of or demand for competitive properties in such project areas, and the market value of competitive properties in the event of sale or foreclosure, (b) changes in

real estate tax rates and other operating expenses, governmental rules (including, without limitation, zoning laws and laws relating to endangered species and hazardous materials) and fiscal policies, and (c) natural disasters (including, without limitation, earthquakes, fires, droughts and floods), which may result in uninsured losses.

Tax Increment Revenues

[Pledged Tax Increment], which secure the respective Local Obligations, are determined by the incremental assessed value of taxable property in the respective project area, the current rate or rates at which property in the respective project area is taxed, and the percentage of taxes collected in the respective project area. Several types of events which are beyond the control of the Agency Participants could occur and cause a reduction in available [Pledged Tax Increment] and, potentially, Revenues under the Trust Agreement. A reduction of taxable values of property in the respective project area or a reduction of the rate of increase in taxable values of property in the respective project area caused by economic or other factors beyond each of the Agency Participant's control (such as a relocation out of the respective project area by one or more major property owners, successful appeals by property owners for a reduction in a property's assessed value, a reduction in the rate of transfers of property, construction activity or other events that permit reassessment of property at lower values, or the destruction of property caused by natural or other disasters, including earthquakes) could occur, thereby causing a reduction in [Pledged Tax Increment] and, potentially, Revenues under the Trust Agreement. This risk increases in proportion to the percent of total assessed value attributable to any single assessee in the respective project area and in relation to the concentration of property in such project area in terms of size or land use (see "____" hereunder).

Any reduction in the tax rate applicable to property in the respective project area, by reason of discontinuance of certain override tax levies in excess of the 1% basic levy, will reduce the [Pledged Tax Increment] and, potentially, Revenues under the Trust Agreement. There are no overrides reflected in the calculation of [Pledged Tax Increment] under the respective Agency Indenture which are derived only from the general levy tax rate. As mentioned in the Fiscal Consultant's Report, many issues involved in the dissolution of redevelopment agencies have yet to be resolved including the continuation of plan limits, override revenues and the treatment of ERAF. Additionally approximately 100 lawsuits have been filed on various aspects of AB 26 and AB 1484 which could impact the dissolution of redevelopment agencies. The projections in Appendix __ could be impacted as a result of future court decisions.

[Each of the Agency Participants has based its projections on certain assumptions with regard to the respective project area, growth in assessed values and tax increment revenue growth. These projections assume that assessed value will increase by 2% a year. A 2% growth rate is the maximum inflationary growth rate permitted by law. For summary information regarding such projections and projected growth rate of the Agency Participants, see Appendices __ through __ under the caption "THE PROJECT AREA" and the Fiscal Consultant's Report appearing in Appendix __. There can be no assurance, however that assessed values will increase as projected, if at all.]

Any reduction in assessed value in the respective project area, reduction in tax rates or reduction in taxes collected would reduce the [Pledged Tax Increment] available to pay debt service on the respective Local Obligations. See "RISK FACTORS" and "LIMITATIONS ON TAX REVENUES – Property Tax Administrative Costs." See also Appendices __ through __ under the caption "THE PROJECT AREA" hereto for a summary of historical assessed valuation of property in the respective project area, current assessment appeals and historical delinquencies.

Change in Law

In addition to the other limitations on [Pledged Tax Increment], the California electorate or Legislature could adopt a constitutional or legislative property tax decrease with the effect of reducing [Pledged Tax Increment] payable to each of the Agency Participants. There is no assurance that the California electorate or Legislature will not at some future time approve additional limitations that could reduce the [Pledged Tax Increment] and adversely affect the security of the respective Local Obligations.

Reduction in Inflationary Rate

As described in greater detail below, Article XIII A of the California Constitution provides that the full cash value base of real property used in determining taxable value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year, or may be reduced to reflect a reduction in the consumer price index or comparable local data. Such measure is computed on a calendar year basis. See “LIMITATIONS ON TAX REVENUES” for a discussion of how this measure or other initiative measures adopted by the California electorate could reduce [Pledged Tax Increment] and, potentially, Revenues under the Trust Agreement.

Levy and Collection

Each of the Agency Participants has no independent power to levy and collect property taxes. Any reduction in the tax rate or the implementation of any constitutional or legislative property tax decrease could reduce the [Pledged Tax Increment], and accordingly, could have an adverse impact on the ability of each of the Agency Participants to pay debt service on the respective Local Obligations. Likewise, delinquencies in the payment of property taxes could have an adverse effect on each of the Agency Participant’s ability to make timely debt service payments. See “Property Tax Collection Procedures” below.

Property Tax Collection Procedures

In California, property which is subject to *ad valorem* taxes is classified as “secured” or “unsecured.” The “secured roll” is that part of the assessment roll containing state-assessed public utilities’ property and property the taxes on which are a lien on real property sufficient, in the opinion of the county assessor, to secure payment of the taxes. A tax levied on unsecured property does not become a lien against such unsecured property, but may become a lien on certain other property owned by the taxpayer. Every tax which becomes a lien on secured property has priority over all other liens arising pursuant to State law on such secured property, regardless of the time of the creation of the other liens. Secured and unsecured properties are entered separately on the assessment roll maintained by the county assessor. The method of collecting delinquent taxes is substantially different for the two classifications of property. Collections are the responsibility of the County Treasurer and Tax Collector.

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each fiscal year. If unpaid, such taxes become delinquent on December 10 and April 10, respectively, and a 10% penalty attaches to any delinquent payment. In addition property on the secured roll with respect to which taxes are due is delinquent on or about June 30 of the fiscal year. Such property may thereafter be redeemed by payment of the delinquent taxes and a delinquency penalty, plus a redemption penalty of 1.5% per month to the time of redemption. If taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the county tax collector.

Historically, property taxes are levied for each fiscal year on taxable real and personal property situated in the taxing jurisdiction as of the preceding January 1. A bill enacted in 1983, SB 813 (Statutes

of 1983, Chapter 498), however, provided for the supplemental assessment and taxation of property as of the occurrence of a change of ownership or completion of new construction. Thus, this legislation eliminated delays in the realization of increased property taxes from new assessments. As amended, SB 813 provided increased revenue to taxing jurisdictions to the extent that supplemental assessments of new construction or changes of ownership occur subsequent to the January 1 lien date.

Property taxes on the unsecured roll are due on the January 1 lien date and become delinquent, if unpaid on the following August 31. A ten percent (10%) penalty is also attached to delinquent taxes in respect of property on the unsecured roll, and further, an additional penalty of 1.5% per month accrues with respect to such taxes beginning the first day of the third month following the delinquency date. The taxing authority has four ways of collecting unsecured personal property taxes: (1) a civil action against the taxpayer, (2) filing a certificate in the office of the county clerk specifying certain facts in order to obtain a judgment lien on certain property of the taxpayer, (3) filing a certificate of delinquency for record in the county recorder's office, in order to obtain a lien on certain property of the taxpayer, and (4) seizure and sale of personal property, improvements or possessory interests belonging or assessed to the assessee. The exclusive means of enforcing the payment of delinquent taxes in respect of property on the secured roll is the sale of the property securing the taxes to the State for the amount of taxes which are delinquent.

Natural Disasters; Seismic Hazards

Natural disasters, including floods and earthquakes, could damage improvements and/or property in the respective project area, or impair the ability of landowners within a project area to further develop their properties or to pay property taxes.

There are several identified faults within close proximity to or within the boundaries of the respective project areas, including the Southern Segment of the San Andreas Fault that could potentially result in damage to buildings, roads, bridges, and property within the respective project areas in the event of an earthquake. For summary information regarding natural disasters and seismic hazards concerning the respective project areas, see Appendices __ through __ under the caption "SPECIAL RISK FACTORS – Natural Disasters; Seismic Hazards." If an earthquake or other natural disaster were to substantially damage or destroy taxable property within a project area, the assessed valuation of such property would be reduced. Such a reduction of assessed valuations could result in a reduction of the [Pledged Tax Increment] that secure the respective Local Obligations.

Hazardous Substances

An environmental condition that may result in the reduction in the assessed value of parcels would be the discovery of hazardous substances that would limit the beneficial use of a property within the respective project areas. [For information regarding environmental matters and hazardous substances concerning the respective project areas, see Appendices __ through __ under the caption "SPECIAL RISK FACTORS – Hazardous Substances."]

Assessment Appeals

Property taxable values may be reduced as a result of a successful appeal of the taxable value determined by the County Assessor. An appeal may result in a reduction to the Assessor's original taxable value and a tax refund to the applicant property owner. A reduction in taxable values within the respective project area and the refund of taxes which may arise out of successful appeals by property owners will affect the amount of [Pledged Tax Increment] and, potentially, Revenues under the Trust Agreement. Each of the Agency Participants has in the past experienced reductions in its [Pledged Tax Increment] as a result of assessment appeals. The actual impact to tax increment is dependent upon the

actual revised value of assessments resulting from values determined by the County Assessment Appeals Board or through litigation and the ultimate timing of successful appeals. For a for a discussion of historical assessment appeals in the respective project areas and summary information regarding pending and resolved assessment appeals for each of the Agency Participants, see Appendices __ through __ under the caption “THE PROJECT AREA” and the Fiscal Consultant’s Report appearing in Appendix __.

Economic Risks

Each of the Agency Participant’s ability to make payments on the respective Local Obligations will be partially dependent upon the economic strength of the related project area. If there is a decline in the general economy of the related project area, the owners of property may be less able or less willing to make timely payments of property taxes causing a delay or stoppage of tax increment revenues. In the event of decreased values, [Pledged Tax Increment] and, potentially, Revenues may decline even if property owners make timely payment of taxes.

State Budget Deficits

AB X1 26 and AB 1484 were enacted by the State Legislature and Governor as trailer bills necessary to implement provisions of the State’s budget acts for its fiscal years 2011-12 and 2012-13, respectively, as efforts to address structural deficits in the State general fund budget. In general terms, these bills implemented a framework to transfer cash assets previously held by redevelopment agencies to cities, counties, and special districts to fund core public services, with assets transferred to schools offsetting State general fund costs (then projected savings of \$1.5 billion). There can be no assurance that additional legislation will not be enacted in the future to additionally implement provisions relating to the State budget or otherwise that may affect successor agencies or tax increment revenues, including Tax Revenues.

The Governor signed the State’s 2013–14 Budget Act on June 27, 2013. At that time, fiscal year 2012–13 was projected to be first fiscal year since 2007–08 to end with a reserve. The administration’s May Revision estimates of 2012–13 revenues were about \$2.3 billion higher than when the 2012–13 spending plan was adopted. Under the spending plan 2012–13 would end with a \$254 million reserve, the first such year–end positive balance in the reserve since 2007–08. Also at that time, fiscal year 2013–14 was projected to end with increased reserves. The fiscal year 2013–14 spending plan assumes General Fund and Education Protection Account revenues of \$97.1 billion and expenditures of \$96.3 billion. The resulting \$817 million operating surplus combined with the \$254 million positive ending balance for 2012–13 produce an estimated \$1.1 billion reserve for 2013–14.

Text of the 2013-14 Budget Summary, the current State budget, and other documents related to the State budget may be found at the website of the State Department of Finance, www.dof.ca.gov. A nonpartisan analysis of the budget is posted by the Legislative Analyst’s Office at www.lao.ca.gov. In addition, various State official statements, many of which contain a summary of the current and past State budgets may be found at the website of the State Treasurer, www.treasurer.ca.gov.

None of the websites or webpages referenced above is in any way incorporated into Appendix __. They are cited for informational purposes only. None of the Authority or the Agency Participants can make any representation whatsoever as to the accuracy or completeness of any of the information on such websites.

Certain litigation is challenging some of the terms of the Dissolution Act, and it is anticipated that there will be additional future legislation in this area. Each of the Agency Participants cannot predict what measures may be proposed or implemented for the current fiscal year or in the future.

Direct and Overlapping Indebtedness

The ability of land owners within the respective project area to pay property tax installments as they come due could be affected by the existence of other taxes and assessments, imposed upon the land. In addition, other public agencies whose boundaries overlap those of the respective project area could, without consent of each of the Agency Participants, and in certain cases without the consent of the owners of the land within the respective project area, impose additional taxes or assessment liens on the property to finance public improvements. See “Bankruptcy and Foreclosure” below.

Bankruptcy and Foreclosure

The payment of property taxes by owners may be limited by bankruptcy, insolvency, or other laws generally affecting creditor’s rights or by the laws of the State relating to judicial foreclosure. The various legal opinions to be delivered concurrently with the issuance of the Series 2013 Bonds (including Bond Counsel’s approving legal opinion) will be qualified, as to the enforceability of the various legal instruments, by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Although bankruptcy proceedings would not cause the property tax obligation of a landowner to become extinguished, such bankruptcy could result in a delay in collection of [Pledged Tax Increment], and would increase the likelihood of a delay or default in payment of the principal of and interest on the respective Local Obligations.

Future Legislation and Initiatives

Article XIII A, Article XIII B and Proposition 218 were each adopted as measures that qualified for the ballot pursuant to California’s initiative process. From time to time other initiative measures could be adopted, further affecting revenues of each of the Agency Participants or each of the Agency Participant’s ability to expend revenues. In addition, there are currently a number of proposed legislative changes to the Dissolution Act which, if adopted, would also affect revenues of each of the Agency Participants or each of the Agency Participant’s ability to expend revenues. The nature and impact of these measures cannot currently be anticipated.

TAX MATTERS

Series 2013A Bonds

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority (“Bond Counsel”), based on an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2013A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”) and is exempt from State of California personal income taxes. Bond Counsel is of the further opinion that interest on the Series 2013A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes. Bond Counsel expresses no opinion on whether interest on the Series 2013A Bonds is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete

copy of the proposed form of opinion of Bond Counsel is set forth in APPENDIX ____ – “FORM OF OPINION OF BOND COUNSEL.”

To the extent the issue price of any maturity of the Series 2013A Bonds is less than the amount to be paid at maturity of such Series 2013A Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Series 2013A Bonds), the difference constitutes “original issue discount,” the accrual of which, to the extent properly allocable to each Beneficial Owner thereof, is treated as interest on the Series 2013A Bonds which is excluded from gross income for federal income tax purposes and exempt from State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Series 2013A Bonds is the first price at which a substantial amount of such maturity of the Series 2013A Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Series 2013A Bonds accrues daily over the term to maturity of such Series 2013A Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Series 2013A Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Series 2013A Bonds. Beneficial Owners of the Series 2013A Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Series 2013A Bonds with original issue discount, including the treatment of Beneficial Owners who do not purchase such Series 2013A Bonds in the original offering to the public at the first price at which a substantial amount of such Series 2013A Bonds is sold to the public.

Series 2013A Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) (“Premium Bonds”) will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of obligations, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner’s basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Series 2013A Bonds. The Authority has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Series 2013A Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Series 2013A Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Series 2013A Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring), or any other matters coming to Bond Counsel’s attention after the date of issuance of the Series 2013A Bonds may adversely affect the value of, or the tax status of interest on, the Series 2013A Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Series 2013A Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2013A Bonds may otherwise affect a Beneficial Owner’s federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or

the Beneficial Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2013A Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. As one example, the Obama Administration's proposed 2014 budget includes a legislative proposal which, for tax years beginning after December 31, 2013, would limit the exclusion from gross income of interest on obligations like the Series 2013A Bonds to some extent for taxpayers who are individuals and whose income is subject to higher marginal income tax rates. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Series 2013A Bonds. Prospective purchasers of the Series 2013A Bonds should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel is expected to express no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Series 2013A Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Authority, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Authority has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Series 2013A Bonds ends with the issuance of the Series 2013A Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Authority or the Beneficial Owners regarding the tax-exempt status of the Series 2013A Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Authority and its appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Authority legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2013A Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2013A Bonds, and may cause the Authority or Beneficial Owners to incur significant expense.

Series 2013B Bonds

In the opinion of Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions and assuming compliance with certain covenants, interest on the Series 2013B Bonds is exempt from State of California personal income taxes. Interest on the Series 2013B Bonds is not excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or accrual or receipt of interest on, the Series 2013B Bonds. The proposed form of opinion of Bond Counsel is set forth in APPENDIX ___ – "FORM OF OPINION OF BOND COUNSEL."

The following discussion summarizes certain U.S. federal tax considerations generally applicable to holders of the Series 2013B Bonds that acquire their Series 2013B Bonds in the initial offering. The discussion below is based upon laws, regulations, rulings, and decisions in effect and available on the date hereof, all of which are subject to change, possibly with retroactive effect. Prospective investors should

note that no rulings have been or are expected to be sought from the IRS with respect to any of the U.S. federal income tax consequences discussed below, and no assurance can be given that the IRS will not take contrary positions. Further, the following discussion does not deal with all U.S. federal income tax consequences applicable to any given investor, nor does it address the U.S. federal income tax considerations applicable to categories of investors some of which may be subject to special taxing rules (regardless of whether or not such persons constitute U.S. Holders), such as certain U.S. expatriates, banks, REITs, RICs, insurance companies, tax-exempt organizations, dealers or traders in securities or currencies, partnerships, S corporations, estates and trusts, investors that hold their Series 2013B Bonds as part of a hedge, straddle or an integrated or conversion transaction, or investors whose “functional currency” is not the U.S. dollar. Furthermore, it does not address (i) alternative minimum tax consequences or (ii) the indirect effects on persons who hold equity interests in a holder. In addition, this summary generally is limited to investors that acquire their Series 2013B Bonds pursuant to this offering for the issue price that is applicable to such Series 2013B Bonds (i.e., the price at which a substantial amount of the Series 2013B Bonds are sold to the public) and who will hold their Series 2013B Bonds as “capital assets” within the meaning of Section 1221 of the Code.

As used herein, “U.S. Holder” means a beneficial owner of a Series 2013B Bond that for U.S. federal income tax purposes is an individual citizen or resident of the United States, a corporation or other entity taxable as a corporation created or organized in or under the laws of the United States or any state thereof (including the District of Columbia), an estate the income of which is subject to U.S. federal income taxation regardless of its source or a trust where a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons (as defined in the Code) have the authority to control all substantial decisions of the trust (or a trust that has made a valid election under U.S. Treasury Regulations to be treated as a domestic trust). As used herein, “Non-U.S. Holder” generally means a beneficial owner of a Series 2013B Bond (other than a partnership) that is not a U.S. Holder. If a partnership holds Series 2013B Bonds, the tax treatment of such partnership or a partner in such partnership generally will depend upon the status of the partner and upon the activities of the partnership. Partnerships holding Series 2013B Bonds, and partners in such partnerships, should consult their own tax advisors regarding the tax consequences of an investment in the Series 2013B Bonds (including their status as U.S. Holders or Non-U.S. Holders).

For U.S. Holders

The Series 2013B Bonds are not expected to be treated as issued with original issue discount (“OID”) for U.S. federal income tax purposes because the stated redemption price at maturity of the Series 2013B Bonds is not expected to exceed their issue price, or because any such excess is expected to only be a *de minimis* amount (as determined for tax purposes).

Prospective investors that are not individuals or regular C corporations who are U.S. persons purchasing the Series 2013B Bonds for investment should consult their own tax advisors as to any tax consequences to them from the purchase, ownership and disposition of the Series 2013B Bonds.

Disposition of the Series 2013B Bonds. Unless a nonrecognition provision of the Code applies, the sale, exchange, redemption, defeasance, retirement (including pursuant to an offer by the Authority) or other disposition of a Series 2013B Bond, will be a taxable event for U.S. federal income tax purposes. In such event, in general, a U.S. Holder of a Series 2013B Bond will recognize gain or loss equal to the difference between (i) the amount of cash plus the fair market value of property received (except to the extent attributable to accrued but unpaid interest on the Series 2013B Bond which will be taxed in the manner described above) and (ii) the U.S. Holder’s adjusted tax basis in the Series 2013B Bond (generally, the purchase price paid by the U.S. Holder for the Series 2013B Bond). Any such gain or loss generally will be capital gain or loss. In the case of a noncorporate U.S. Holder of the Series 2013B

Bonds, the maximum marginal U.S. federal income tax rate applicable to any such gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income if such U.S. holder's holding period for the Series 2013B Bonds exceeds one year. The deductibility of capital losses is subject to limitations.

For Non-U.S. Holders

Interest. Subject to the discussion below under the heading "Information Reporting and Backup Withholding," payments of principal of, and interest on, any Series 2013B Bond to a Non-U.S. Holder, other than (1) a controlled foreign corporation, as such term is defined in the Code, which is related to the Authority through stock ownership and (2) a bank which acquires such Series 2013B Bond in consideration of an extension of credit made pursuant to a loan agreement entered into in the ordinary course of business, will not be subject to any U.S. withholding tax provided that the beneficial owner of the Series 2013B Bond provides a certification completed in compliance with applicable statutory and regulatory requirements, which requirements are discussed below under the heading "Information Reporting and Backup Withholding," or an exemption is otherwise established.

Disposition of the Bonds. Subject to the discussion below under the heading "Information Reporting and Backup Withholding," any gain realized by a Non-U.S. Holder upon the sale, exchange, redemption, retirement (including pursuant to an offer by the Authority) or other disposition of a Series 2013B Bond generally will not be subject to U.S. federal income tax, unless (i) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business within the United States; or (ii) in the case of any gain realized by an individual Non-U.S. Holder, such holder is present in the United States for 183 days or more in the taxable year of such sale, exchange, redemption, retirement (including pursuant to an offer by the Authority) or other disposition and certain other conditions are met.

U.S. Federal Estate Tax. A Series 2013B Bond that is held by an individual who at the time of death is not a citizen or resident of the United States will not be subject to U.S. federal estate tax as a result of such individual's death, provided that at the time of such individual's death, payments of interest with respect to such Series 2013B Bond would not have been effectively connected with the conduct by such individual of a trade or business within the United States.

Information Reporting and Backup Withholding. U.S. information reporting and "backup withholding" requirements apply to certain payments of principal of, and interest on the Series 2013B Bonds, and to proceeds of the sale, exchange, redemption, retirement (including pursuant to an offer by the Authority) or other disposition of a Series 2013B Bond, to certain noncorporate holders of Series 2013B Bonds that are United States persons. Under current U.S. Treasury Regulations, payments of principal and interest on any Series 2013B Bonds to a holder that is not a United States person will not be subject to any backup withholding tax requirements if the beneficial owner of the Series 2013B Bond or a financial institution holding the Series 2013B Bond on behalf of the beneficial owner in the ordinary course of its trade or business provides an appropriate certification to the payor and the payor does not have actual knowledge that the certification is false. If a beneficial owner provides the certification, the certification must give the name and address of such owner, state that such owner is not a United States person, or, in the case of an individual, that such owner is neither a citizen nor a resident of the United States, and the owner must sign the certificate under penalties of perjury. If a financial institution, other than a financial institution that is a qualified intermediary, provides the certification, the certification must state that the financial institution has received from the beneficial owner the certification set forth in the preceding sentence, set forth the information contained in such certification, and include a copy of such certification, and an authorized representative of the financial institution must sign the certificate under penalties of perjury. A financial institution generally will not be required to furnish to the IRS the names of the beneficial owners of the Series 2013B Bonds that are not United States persons and copies of such

owners' certifications where the financial institution is a qualified intermediary that has entered into a withholding agreement with the IRS pursuant to applicable U.S. Treasury Regulations.

In the case of payments to a foreign partnership, foreign simple trust or foreign grantor trust, other than payments to a foreign partnership, foreign simple trust or foreign grantor trust that qualifies as a withholding foreign partnership or a withholding foreign trust within the meaning of applicable U.S. Treasury Regulations and payments to a foreign partnership, foreign simple trust or foreign grantor trust that are effectively connected with the conduct of a trade or business within the United States, the partners of the foreign partnership, the beneficiaries of the foreign simple trust or the persons treated as the owners of the foreign grantor trust, as the case may be, will be required to provide the certification discussed above in order to establish an exemption from withholding and backup withholding tax requirements. The current backup withholding tax rate is 28% (subject to future adjustment).

In addition, if the foreign office of a foreign "broker," as defined in applicable U.S. Treasury Regulations pays the proceeds of the sale of a Bond to the seller of the Series 2013B Bond, backup withholding and information reporting requirements will not apply to such payment provided that such broker derives less than 50% of its gross income for certain specified periods from the conduct of a trade or business within the United States, is not a controlled foreign corporation, as such term is defined in the Code, and is not a foreign partnership (1) one or more of the partners of which, at any time during its tax year, are U.S. persons (as defined in U.S. Treasury Regulations Section 1.1441-1(c)(2)) who, in the aggregate hold more than 50% of the income or capital interest in the partnership or (2) which, at any time during its tax year, is engaged in the conduct of a trade or business within the United States. Moreover, the payment by a foreign office of other brokers of the proceeds of the sale of a Series 2013B Bond, will not be subject to backup withholding unless the payer has actual knowledge that the payee is a U.S. person. Principal and interest so paid by the U.S. office of a custodian, nominee or agent, or the payment by the U.S. office of a broker of the proceeds of a sale of a Series 2013B Bond, is subject to backup withholding requirements unless the beneficial owner provides the nominee, custodian, agent or broker with an appropriate certification as to its non-U.S. status under penalties of perjury or otherwise establishes an exemption.

LITIGATION

To the best knowledge of [the County and] the Authority, there is no litigation pending or threatened against the County or the Authority concerning the validity of the Series 2013 Bonds or challenging any action taken by the County or the Authority in connection with the authorization of the Trust Agreement, the Local Obligation Purchase Contract or any other document relating to the Series 2013 Bonds to which the County or the Authority is or is to become a party or the performance by the County or the Authority of any of their obligations under any of the foregoing.

[There is no action, suit or proceeding pending or, to the knowledge of any of the Agency Participants, threatened, restraining or enjoining the execution or delivery of the respective Local Obligations or respective Agency Indentures, or in any way contesting or affecting the validity of the foregoing or any proceedings of the Agency Participants, their respective Oversight Boards, or the respective cities taken with respect to any of the foregoing. However, the lawsuit described below relates to issues that may affect the distribution of property tax revenues or other monies to the Agency Participants under the Dissolution Act.]

With respect to California successor agencies and the Dissolution Act in general, on August 1, 2012, Syncora Guarantee Inc. and Syncora Capital Assurance Inc. (collectively, “Syncora”) filed a lawsuit against the State, the State Controller, the State Director of Finance, and the Auditor-Controller of San Bernardino County on his own behalf and as the representative of all other county auditors in the State (Superior Court of the State of California, County of Sacramento, Case No. 34-2012-80001215) (the “Syncora Lawsuit”) challenging the terms of the Dissolution Act. Syncora are monoline financial guaranty insurers domiciled in the State of New York, and as such, provide credit enhancement on bonds issued by state and local governments and do not sell other kinds of insurance such as life, health, or

property insurance. Syncora provided bond insurance and other related insurance policies for bonds issued by former California redevelopment agencies.

The complaint alleges that the Dissolution Act, and specifically the “Redistribution Provisions” thereof (i.e., California Health and Safety Code Sections 34172(d), 34174, 34177(d), 34183(a)(4), and 34188) violate the “contract clauses” of the United States and California Constitutions (U.S. Const. art. 1, § 10, cl.1; Cal. Const. art. 1, § 9) because they unconstitutionally impair the contracts among the former redevelopment agencies, bondholders and Syncora. The complaint also alleges that the Redistribution Provisions violate the “Takings Clauses” of the United States and California Constitutions (U.S. Const. amend. V; Cal Const. art. 1 § 19) because they unconstitutionally take and appropriate bondholders’ and Syncora’s contractual right to critical security mechanisms without just compensation. Specifically, the complaint alleges that the security mechanism created by the irrevocable pledge of tax increment revenues to repay the redevelopment agency debts was a critical feature of the redevelopment bonds’ marketability in at least three manners: (i) tax increment revenues which have been previously irrevocably pledged are now subject to restrictive terms such as periodic ROPS, Oversight Board approval, and DOF approval, that unconstitutionally impair the contract providing for such pledge; (ii) excess tax increment revenues previously could be held by a redevelopment agency in reserve to protect against potential future shortfalls (in contrast to the provisions under the Dissolution Act that require the County Auditor-Controller to distribute surplus monies from the RPTTF amounts to taxing entities each six-month period); and (iii) the former Law and bond indentures or trust agreements governing redevelopment bonds typically included requirements and covenants for the redevelopment agency to use surplus tax increment revenues received in excess of amounts required for debt service on redevelopment activities, which were calculated under the Redevelopment Act to stimulate growth and general increases in assessed valuation, and therefore increase additional security for the bonds, and such covenants have been substantially and unconstitutionally impaired by the Dissolution Act, AB 1484, and in particular the Redistribution Provisions thereof.

The Syncora Lawsuit has been brought as a petition for writ of mandate, complaint for declaratory relief, inverse condemnation and injunctive relief. The injunctive relief sought includes an injunction enjoining the respondents from implementing enforcing, and/or carrying out the Redistribution Provisions, ordering respondents to immediately return all money remitted by successor agencies to local taxing agencies pursuant to the Redistribution Provisions, and ordering respondents to hold all future tax increment revenues in the RPTTF, or a similar fund, for the exclusive benefit of, and distribution to, the bondholders, until such a time when the bondholders are completely repaid. In August, 2013, the court ordered Syncora’s claims dismissed, without prejudice to refile, as premature claims for impairment of contract and an unconstitutional taking. The court noted that no redevelopment agency bonds are in default.

If Syncora were to be successful in its lawsuit in obtaining the injunctive relief or writ of mandate sought or if the court in the Syncora Lawsuit were to determine that the Dissolution Act or the Redistribution Provisions or other provisions thereof unconstitutionally impaired the contracts between the former redevelopment agencies and the holders of interests in bonds issued by such agencies, it is possible that the mechanisms currently provided for under the Dissolution Act to provide for distribution of [Pledged Tax Increment] to each of the Agency Participants, and accordingly [Pledged Tax Increment] for payment on the respective Local Obligations, could be impeded and result in a delinquency or default in the timely payment of principal of, and interest on, the respective Local Obligations. As provided under the Dissolution Act, the [Pledged Tax Increment] rely on subdivision (c) of Section 34172 of the Dissolution Act, as provided in paragraph (2) of subdivision (a) of Section 34183 of the Dissolution Act. However, as discussed above, the respective Agency Indenture additionally provides that if, and to the extent, that the provisions of Section 34172 or paragraph (2) of subdivision (a) of Section 34183 are invalidated by a final judicial decision, then [Pledged Tax Increment], subject to the terms of the Agency

Indentures, will include all tax revenues allocated to the payment of indebtedness pursuant to the California Health and Safety Code Section 33670 or such other section as may be in effect at the time providing for the allocation of [Pledged Tax Increment] in accordance with Article XVI, Section 16 of the California Constitution. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS.” Further, Section 34177.5(e) of the Dissolution Act provides that notwithstanding any other law, an action to challenge the issuance of bonds (such as the respective Local Obligations), the incurrence of indebtedness, the amendment of an enforceable obligation, or the execution of a financing agreement authorized under Section 34177.5, must be brought within 30 days after the date on which the oversight board approves the resolution of the successor agency approving the such financing. Such challenge period expired with respect to the respective Local Obligations and the Oversight Board Action on November __, 2013. Finally, any action by a court to invalidate provisions of the Dissolution Act required for the timely payment of principal of, and interest on, the respective Local Obligations could be subject to the same issues regarding unconstitutional impairment of contracts and unconstitutional taking without just compensation as raised in the Syncora Lawsuit. Although each of the Agency Participants cannot predict the outcome or end result of the Syncora Lawsuit on the Dissolution Act or any of the provisions thereof, each of the Agency Participants believes that the aforementioned considerations would provide some protections against the adverse consequences upon each of the Agency Participants and the availability of [Pledged Tax Increment] for the payment of debt service on the respective Local Obligations and the outstanding respective Local Obligations. However, none of the Authority or the Agency Participants can guarantee that the Syncora Lawsuit will not result in an outcome that may have a detrimental effect on any Agency Participant’s ability to timely pay debt service on the respective Local Obligations or obligations of such Agency Participant senior to such Local Obligations, if any.

APPENDIX A

SUMMARY OF PRINCIPAL LEGAL DOCUMENTS

APPENDIX B

FORM OF CONTINUING DISCLOSURE AGREEMENT

BOOK-ENTRY ONLY SYSTEM

The description that follows of the procedures and recordkeeping with respect to beneficial ownership interests in the Series 2013 Bonds, payment of principal of, premium, if any, and interest on the Series 2013 Bonds to Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interests in the Series 2013 Bonds, and other related transactions by and between DTC, Participants and Beneficial Owners, is based on information furnished by DTC which the Authority believes to be reliable, but the Authority does not take responsibility for the completeness or accuracy thereof. The Authority cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners either (a) payments of principal, premium, if any, and interest with respect to the Series 2013 Bonds or (b) certificates representing ownership interests in or other confirmation of ownership interests in the Series 2013 Bonds, or that they will so do on a timely basis or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Official Statement. The current “Rules” applicable to DTC are on file with the Securities and Exchange Commission and the current “Procedures” of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Series 2013 Bonds. The Series 2013 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity (and each individual yield in the case of bifurcated maturities) of the Series 2013 Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange

Commission. More information about DTC can be found at www.dtcc.com; provided that nothing contained in such website is incorporated into this Official Statement.

Purchases of Series 2013 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2013 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2013 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2013 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2013 Bonds, except in the event that use of the book-entry system for the Series 2013 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2013 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2013 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2013 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2013 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2013 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2013 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Trust Agreement. For example, Beneficial Owners of Series 2013 Bonds may wish to ascertain that the nominee holding the Series 2013 Bonds for their benefit will agree to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2013 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2013 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2013 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2013 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by

standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS WITH RESPECT TO THE PAYMENTS OR THE PROVIDING OF NOTICE TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS OR THE SELECTION OF SERIES 2013 BONDS FOR REDEMPTION.

DTC (or a successor securities depository) may discontinue providing its services as securities depository with respect to the Series 2013 Bonds at any time by giving reasonable notice to the Authority. The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC (or a successor securities depository) with respect to the Series 2013 Bonds. The Authority undertakes no obligation to investigate matters that would enable the Authority to make such a determination. In the event that the book-entry system is discontinued as described above, the requirements of the Trust Agreement will apply.

THE AUTHORITY AND THE UNDERWRITERS CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, THE PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL, INTEREST OR PREMIUM, IF ANY, WITH RESPECT TO THE SERIES 2013 BONDS PAID TO DTC OR ITS NOMINEE AS THE REGISTERED OWNER, OR WILL DISTRIBUTE ANY REDEMPTION NOTICES OR OTHER NOTICES, TO THE BENEFICIAL OWNERS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE AUTHORITY AND THE UNDERWRITERS ARE NOT RESPONSIBLE OR LIABLE FOR THE FAILURE OF DTC OR ANY PARTICIPANT TO MAKE ANY PAYMENT OR GIVE ANY NOTICE TO A BENEFICIAL OWNER WITH RESPECT TO THE SERIES 2013 BONDS OR AN ERROR OR DELAY RELATING THERETO.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Authority deems reliable, but the Authority takes no responsibility for the accuracy thereof.

DTC may discontinue providing its services as securities depository with respect to the Series 2013 Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2013 Bonds are required to be printed and delivered as described in the Trust Agreement.

The Authority may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2013 Bonds will be printed and delivered as described in the Trust Agreement and payment of interest to each Owner who owns of record \$1,000,000

or more in aggregate principal amount of Series 2013 Bonds may be made to such Owner by wire transfer to such wire address within the United States that such Owner may request in writing for all Interest Payment Dates following the 15th day after the Trustee's receipt of such request.

County of Los Angeles Redevelopment Refunding Authority
Los Angeles, California

County of Los Angeles Redevelopment Refunding Authority

and

County of Los Angeles Redevelopment Refunding Authority

(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to the County of Los Angeles Redevelopment Refunding Authority (the "Authority") in connection with the issuance of its County of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2013[A] (Tax Exempt) (the "Series 2013A Bonds"), in the aggregate principal amount of \$_____, and its County of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2013[B] (Federally Taxable) (the "Series 2013B Bonds" and together with the Series 2013A Bonds, the "Series 2013 Bonds"), in the aggregate principal amount of \$_____, issued pursuant to a Trust Agreement, dated as of December 1, 2013 (the "Trust Agreement"), by and between the Authority and U.S. Bank National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement.

In such connection, we have reviewed the Trust Agreement, indentures or supplemental indentures, each dated as of December 1, 2013 (collectively, the "Agency Indentures") by and between the respective Agency Participants and respective trust banks, the Tax Certificate of the Authority, dated the date hereof, relating to the Series 2013A Bonds and the tax certificates of the Agency Participants, dated the date hereof relating to the respective Local Obligations (collectively, the "Tax Certificate"), opinions of counsel to the Authority, the County, the Agency Participants, the Trustee and others, certificates of the Authority, the County, the Agency Participants, the Trustee and others, and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken

to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Series 2013A Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Authority and the County. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Trust Agreement, the Agency Indentures and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Series 2013A Bonds to be included in gross income for federal income tax purposes.

We call attention to the fact that the rights and obligations under the Series 2013 Bonds, the Trust Agreement, the Local Obligations, the Agency Indentures and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against joint powers authorities and successor agencies to former redevelopment agencies in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), arbitration, judicial reference, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the foregoing documents nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in the Trust Agreement or the Agency Indentures or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Series 2013 Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Series 2013 Bonds constitute the valid and binding special obligations of the Authority, payable solely from the Revenues and the other assets pledged therefor under the Trust Agreement.
2. The Trust Agreement has been duly executed and delivered by, and constitutes a valid and binding obligation of, the Authority.
3. The Agency Indentures and the Local Obligations issued thereunder have been duly executed and delivered by, and constitute valid and binding obligations of, the respective Agency Participants.
4. Interest on the Series 2013A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and interest on the Series 2013 Bonds is exempt from State of California personal income taxes. Interest on the Series 2013A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that it is included in adjusted current earnings when calculating corporate alternative

minimum taxable income. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2013 Bonds.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP
